BEGINNING A YEAR OF CELEBRATION

March 11, 1983 marked the beginning of Bloomingdale's Sesquicentennial celebration. It was on March 11, 1833 when the Meacham brothers crossed the newly blazed Army Trail Road to settle in the area which has since become Bloomingdale. In honor of the 150th anniversary of this momentous occasion Founders' Day, 1983 was filled with festivities.

KID'S DAY

The day's activities were geared toward our junior citizens with a special recognition for five special senior citizens. Student Government Day allowed 53 fourth through eighth grade students to learn firsthand about our local government and public services. Each of them took office for the day in place of their adult counterparts.

Mayor Tenuto and Mayor Mona Ahmed discuss a point of order.

The day began at 9:00 AM with tours of the Village Hall, Police Department, Fire Department, Park District and Library. A luncheon was held at Glendale Country Club to give each student a chance to meet the official he/she was to replace for the day.

At 1:00 all returned to the Village Hall for official ceremonies which included a delightful skit about Bloomingdale's founding by Central

DINNER & DANCING

Over 400 people attended the evening's event, a Dinner/Dance at Indian Lakes Resort, jointly sponsored by the Founders' Festival Committee and the Bloomingdale Chamber of Commerce. Music during dinner and to dance the night away was provided by Ray We Dyck and Associates.

As part of his address to the gathering, Mayor Samuel J. Tenuto introduced honorary guests Father Henry Slade, pastor of St. Isidore Church, who gave the invocation before dinner, and Betsy Bucheit, Bloomingdale Queen. Tenuto also extended special thanks to Lori Dziewiatkowski, chairperson of the event for all her work.

Congressman Henry J. Hyde spoke briefly and presented Bloomingdale

with a flag which flew over the U.S. Capitol on March 9, 1983. Also speaking was James Luberda, president of the Bloomingdale Chamber of Commerce. He introduced resident Cathy Bouchard Schweiger who recently brought honor to Bloomingdale by being named Mrs. Illinois.

Dick Radke's rendering of Founders' Park.

One of the highlights of the evening was the unveiling of artist Dick Radke's rendering of Founders' Park. Barney Pelant, chairman of the Landmark Committee, was on hand to discuss plans for the gazebo and park which will be located at Bloomingdale Road and Fairfield Way. CABLE TV

Here are a few items of interest to apprise residents of Cable TV status in Bloomingdale.

- Depending on where utility lines are located (above or below ground) the time frame in laying cable is different.
- Underground construction will start in all five Villages in May, or when ground moisture conditions are proper and will continue until completed.
- Overhead construction is being held up because Commonwealth Edison and Illinois Bell Telephone must provide crews to make system walks through these areas and it appears they are short of available personnel. The *estimated* start of construction in these areas is August, 1983.
- MetroVision estimates that the first customers may be connected in early fall, 1983.
- During 1983 a number of functions have been planned in celebration of the Sesquicentennial. MetroVision has made a commitment to video tape those events which would lend themselves well for recording for later viewing on our Community Channel.

Already taped are the Beard Court, March 5th, the Student Government Day and the Dinner/Dance, March 11th.

ELECTION DAY — APRIL 12

The following candidates are running for the three open positions of Trustee on the Bloomingdale Village Board. We ask that you read the following so as to become better acquainted with the candidates and urge you to exercise your right to vote on April 12, 1983.

BIFF BEHR

As a lifetime resident of DuPage County and a seven-year resident of Bloomingdale, I seek the office of Village Trustee to help ensure that our Village remains one of the finest communities in this area.

I am a professional businessman and C.P.A. with over twelve years experience in public accounting and public companies. Currently, I am serving my third consecutive elected term as director of a west suburban bank.

As a new entrant into city politics, I bring a fresh and objective point of view with the necessary financial background and management skills to aggressively meet the challenges of this position. The additional ingredient needed is your vote. I urge you to vote on April 12, and give me the opportunity to prove to you that I deserve your support.

WALTER V. CROPPER III

I believe it is important to maintain continuity in the planning process. Orderly growth of the Village can bring tremendous benefits to the total Village, but the growth must be channeled.

I also believe that planning must include a commitment to fiscal responsibility, assuring Village services are delivered in a cost effective manner.

I have the time and willingness to fulfill a full term as a Trustee: my commitment to providing continuity.

In the past, I have served in the Village's Capital Improvements Committee. Currently, I am a member of the Finance Committee of the Village Board, of the Comprehensive Planning Committee, and Chairman of the Ordinance Committee. I am employed by the First National Bank of Chicago as Lead Programmer Analyst.

JOANNE E. HILDT

My experience in the Village, as well as in business, has prepared me to run as a candidate for Trustee. Presently, I am a Commissioner on the Bloomingdale Plan Commission and the Zoning Board of Appeals. Previous to this I was a member and chairman of the Bloomingdale Old Town Commission. I am also one of the Directors of the Bloomingdale Sesquicentennial Committee.

I have a degree from Minnesota State University and am the owner of Hildt and Associates, a Shopping Center Marketing Consultant company which directs the advertising and marketing of Yorktown Shopping Center in Lombard, as well as other national companies.

The quality of life in Bloomingdale can continue to be enhanced through well executed comprehensive development, blending residential zoning with business uses. The quality of Village services, the balance of residential and commercial developments and responsibility in fiscal planning are my major objectives, if elected.

OTHER ELECTIONS

Two other local elections taking place April 12, 1983 are that of the Bloomingdale Park District and the Bloomingdale Library Board.

Two six-year commissioner terms on the Park District Board are open. Running are Rod Pederson, Jim

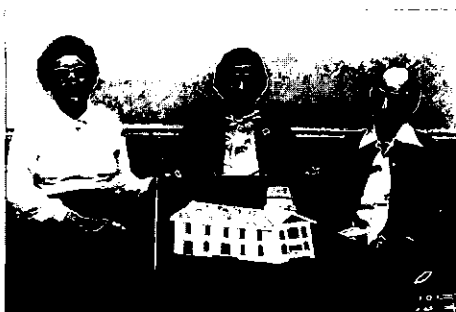

Sargis (both presently completing six-year terms) and Terrence Wigdzinski.

On the Library Board slate Jerome Gordon, Dale Budde and Robert Hudlow are running for the four open positions. Both Gordon and Budde are currently finishing appointments.

Mrs. Laura Fessler, Ms. Louise Olsen, Ms. Ruth Hillmann, Ms. Lois Franzen and Ms. Violet Pape were honored as the five oldest residents who were born in Bloomingdale. A MEMORIAL TO THE MEACHAMS

ART CONTEST WINNERS

At the Founders' Festival Dinner/Dance on March 11, an artist's rendering of the proposed Founders' Park was unveiled. Doing the honors and revealing the plans was Barney Pelant, chairman of the ten member Landmark Committee.

Founders' Park, which will be located on the old library site at the corner of Bloomingdale Road and Fairfield Way, is intended to be a lasting remembrance of the founding of Bloomingdale 150 years ago. The Committee hopes to be creating a serene area with multi-seasonal plantings, which will serve as a community social and functional center for everyone.

The central focal point is to be a 20 ft. diameter gazebo in the architectural style of the Victorian Period. Other elements of this planned legacy include amphitheater seating for 90-130 people, four winding pathways with miscellaneous benches and a sculptured landscape.

Pelant stressed that today Founders' Park is only a dream. To become a reality we need contributions from organizations and residents, whether those contributions be in labor, material or finance. Anyone wishing to make a monetary contribution may do so by contracting Billie Bragg or Darlene Mensching at the Bloomingdale State Bank, 980-2200. An account under the name of "Landmark Gazebo" has been opened to accept these funds. For contributions of labor or materials contact Bob Reeves, Village Administrator, at the Village Hall.

Contributions to date are:

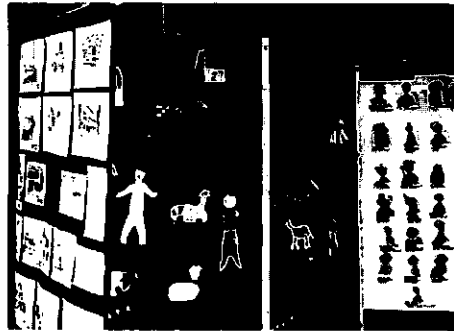

- Bloomingdale Historical Society funds to purchase six street lights for the Park
- W.C. Gretzinger cash contribution

Part of Founders' Day Weekend activities included an art contest which was open to students from K through eighth grade. The entries were on display at Stratford Square March 12 & 13. All the children did a beautiful job and prizes were awarded in each category for the various grade levels. Unfortunately, we don't have the space to list all the winners' names, but we would at least like to share with you the Best of Show winners from each grade level.

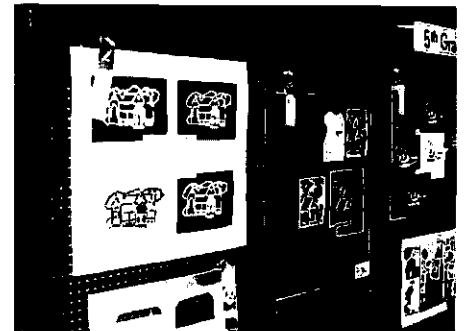

- Kindergarten - Joel Shukla...DuJardin
- 1st Grade - Danielle Gordon...Central
- 2nd Grade - Pauline Quigley...St. Walter
- 3rd Grade - Michele Sajdak...Central
- 4th Grade - Monique Nicodeme...DuJardin
- 5th Grade - Matthew Heller...Central
- 6th Grade - Kelly Reed...Westfield
- 7th Grade - Sabine Biller...Westfield
- 8th Grade - Canary Hong...Westfield

These students received a plaque in recognition of their outstanding work. A watch was awarded to each student receiving Best of Show for the entire Art Contest. These were Brian Skirpan from DuJardin for the Elementary Grade levels and Sabine Biller from Westfield for the Junior High School.

Congratulations to all winners and thanks to all participants. You did Bloomingdale proud!

Christ The Redeemer Lutheran Church Tenth Anniversary

Christ the Redeemer Lutheran Church of Bloomingdale, which will be represented by a square in the quilt being assembled by the Friends of the Library for the Bloomingdale Sesquicentennial, will reach another milestone this year. April 8, 1983 marks the tenth anniversary of Christ the Redeemer as a chartered congregation of the Lutheran Church in America here in the Village.

The church property, located near the northwest corner of Army Trail and Glen Ellyn Roads, was purchased some twenty-two years ago by the LCA in anticipation of the growth in our area. In 1971, the Rev. David McCleary was sent to form a mission congregation in the Bloomingdale-Glendale Heights vicinity. Services were first held in November of that year in the Marquardt School across the road from the present church site. Following its official organization, Christ the Redeemer continued to use the school facility until June 22, 1975 when worshipers proceeded from the school, across Army Trail Road to the newly erected church building to conclude the Sunday service. At the end of 1975 there were 177 confirmed members and 106 children in the congregation.

Settling into its own home, the Christ the Redeemer congregation burgeoned in number and in activity serving the community at large. The church building has provided a polling place and a meeting place for Trim Club, Cub Pack 357 and Scout Troop 315. The congregation contributes periodically to the Bloomingdale Township Food Pantry. Rev. Kenneth Stoyer, who was called in June of 1979 to replace Rev. McCleary when he moved to the South, is a familiar face at the Bloomingdale Pavilion where he regularly conducts services for the nursing home residents.

New Patrol Officers

Two new patrol officers were recently sworn in on the Bloomingdale Police Department. Carolyn Vallas was formerly a radio dispatcher for the Wheaton Police Department and has served as a Community Service Officer for the Hanover Park Police Department. She received her Associate of Arts from Harper College.

Edward Wdowik earned his Bachelor of Science degree from Western Illinois University in Law Enforcement Administration and is currently working on his Master's degree in Counseling Education at Western.

Both Vallas and Wdowik began their 12-week basic recruit training at the Chicago Police Academy on January 3, 1983. Upon completion of their basic training each will be assigned to a Field Training Officer for an additional two months.

This brings the total number of sworn officers on our police force to 26.

THANK YOU!!

The Village wishes to publicly acknowledge the following ladies and gentlemen for their generous dedication of time and effort in serving on these various commissions for the betterment of the community.

Spring, the time for school budget planning, is not very encouraging this year.

Further efforts are being made to erode away state support for schools. Our best current estimate of state aid next school year is \$490,000, which is approximately \$110,000 less than this year. If the governor's current austerity budget goes through, the loss of state aid would be even more dramatic, falling to perhaps as low as \$340,000, reflecting a total possible loss of \$250,000.

Your Board of Education is inspecting ways to cut our expenditures for the 1983-84 school year without damaging our program. One measure which has helped reduce expenditures is the dropping of summer school. Last year the district spent about \$10,000 on summer school.

Further complicating matters is the fact that the average teacher salary in our district is \$18,507 per year. According to recently-released figures by *Education Week*, the national average for elementary teachers is \$20,042. Illinois elementary teachers average \$21,747. Our personnel certainly deserve raises, but because of the financial crunch, it may be difficult to give anything, and certainly it can't be a lot.

On a lighter note, our staff and students have been heavily involved in the Bloomingdale Sesquicentennial Celebration. Michael Zivic headed the Student Government Day Contest, and Renee Cherrie conducted the Student Art Contest at Stratford Square. William Swanson designed and executed the beautiful bas-relief plaques presented to our oldest citizens at Village Hall.

Many teachers have taken the opportunity to teach our students more about the history of the area. Leslie Fischer translated her program into

a skit, which her students presented at Village Hall. T. J. Perkins prepared and presented a slide show to students throughout the district and to community groups. Almost every teacher has taken part in some way.

A mock Board of Education meeting was held on Student Government Day. Not only did our student board members learn more about how the Board functions, but Board members and administrators learned a few things from their counterparts too.

Laurie Kurtz, Asst. School Supt. discusses whether to buy a computer stand from Jack Uhrig, Valley School Supply.

We would like to thank parents who responded to the recent survey on the new reading program in the district. Teachers, students, and parents are all positive about the program, which emphasizes skills to teach children to use letter-sound relationships together with context clues to help determine word meanings. The program is used K-6 grades, with those students showing proficiency in grade six reading skills moving into a literature oriented program. Those students who do not meet proficiency tests continue in the Houghton-Mifflin program, until the skills are mastered.

Kindergarten registration, held March 15, was light. We need an accurate count of our fall enrollment to project our budget. If you have a child who will enter kindergarten this fall, or know of others, please contact Larry Erickson at 893-3606.
