FOUNDERS' PARK

We wish to gratefully acknowledge the following contributions to the Landmark Fund:

Warren Gnau Family	\$150
Motorola, Inc.	\$200
Walgreen's	\$300
WMAQ-TV (Channel 5)	\$225

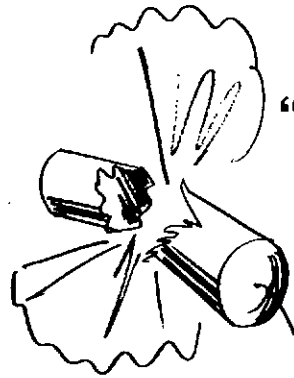

Founders' Park is intended to be a lasting remembrance of the founding of Bloomingdale 150 years ago. Any organization or individual wishing to make a monetary contribution may do so by contacting Billie Bragg or Darlene Mensching at the Bloomingdale State Bank. An account under the name of "Landmark Gazebo" has been established to accept these funds. For contributions of material or labor contact Bob Reeves, Village Administrator, at the Village Hall.

Toni Altobelli with Richard Radke's rendering of the proposed Founders' Park. Ms. Altobelli won the treasure in a raffle at the Founders' Day Dinner/Dance on March 11th.

JULY 4th "COUNTRY FAIR" - Circle Park by Bloomingdale Park District and Founders' Committee

A day full of activities has been planned for the enjoyment of the people of Bloomingdale on July 4th. Be sure to tear out the list of events and save!

Bowman's Revolutionary War Company will be camping in our Circle Park beginning in the afternoon of July 3rd and throughout the day on July 4th. People are invited to visit their camp and learn more about the days of the Revolutionary War. Artillery demonstrations are planned during the day, using their authentic cannons and muskets.

Booths sponsored by not-for-profit service organizations will be open, providing refreshments and games. Any service organization interested in participating is welcomed, and profits from such a booth are retained by the organization. Contests are open to anyone wishing to participate, and pre-registrations during the day will be announced prior to scheduled contests. There will be no charge for participating in any of the contests or races.

Entries for the quilt and baby of the year contests are by pre-registration at the Park District, and must be received no later than June 24th. The baby of the year will receive \$25 in prizes from Walgreen's of Springbrook on Lake Street, one week of diaper service, a baby spoon and bib from Cloud Nine Diaper Service of Lombard. The winner of the beard contest will be named "Honorary Sheriff" of the day and will receive a haircut and beard trim from Larry's Barber Shop in Elmhurst.

Entertainment will be provided at the bandstand throughout the day, including those shown in the list of events... AND MORE! Additional entertainment is being planned, and booths can still be provided for any service organization wishing to participate.

So be sure to plan to spend the day at Circle Park on July 4th and see what the Park District and Founders' Day Committee has in store!

NOTICE

A concentration of barium in the drinking water of the Village of Bloomingdale presently exceeds the 1.0 mg/1 allowable concentration set by the Illinois Environmental Protection Agency. The Village, on April 29, 1982, received from the Illinois Pollution Control Board, a Variance from the barium standards which is valid until January 1, 1984. The average content of barium in water produced by Well No. 8, is 2.8 mg/1. There is no evidence that this concentration presents a threat to the health of water consumers.

THE DEADLINE FOR THE AUGUST ISSUE IS JULY 25

NEW OFFICIALS SEATED

The one incumbent and two new Village Trustees were officially seated at the April 25th Village Board meeting. Mayor Samuel J. Tenuto administered the oath of office to Trustees Joanne Hildt, Biff Behr and incumbent Walter Cropper III.

Mayor Tenuto presents Roy Brodersen with a plaque thanking him for his diligence and dedication as a Trustee. Mary Lou Vanda (left) also received one, but with a kiss instead of a handshake.

Relinquishing their offices were Mary Lou Vanda and Roy Brodersen, both of whom finished two year terms and did not seek re-election. Resolutions of Appreciation were passed to honor both and each was presented a plaque as a keepsake from the Village.

Congratulations and Best Wishes to our Number One "cub reporter" Don Lively and his lovely fiancée Sandy who will be exchanging vows later this month. We aren't losing a good writer, we're gaining a great proof-reader.

"No Solicitors Invited"
Stickers are available to residents at no charge from the Village Hall.

Bloomingtondale Continues to "Grow With Pride"

The Village continues to grow with the annexation of territory today and plans for its future growth with pre-annexation agreements. The property just annexed to the Village is on the south side of Army Trail Road at the intersection of Gary Avenue. On this site will be constructed a Speedway Gas Station, with the remainder of the property to be developed at a later date.

Another annexation just completed is between the Village and Saint Andrew's Ukrainian Orthodox Church. The site is 14.0 acres located on Army Trail Road just east of Glen Ellyn Road. The Church plans to construct a church for five-hundred (500) worshipers, a multi-story structure for senior citizens, and recreational areas. The Ukrainian Church to be constructed in Bloomingtondale is one (1) of only a few in the Chicago Metropolitan area and will be a welcome addition to our community.

Looking forward to the future, the Village Board has approved a pre-annexation agreement with the Italian American Sports Hall of Fame. The Village will, when appropriate, be supplying the IASHF with sanitary sewer and water, to be extended from the Village boundary at Glen Ellyn Road at no cost to Village residents; and, once the property becomes contiguous, will become part of the Village. The property is located at the southwest corner of Lake Street and Medinah Road and occupies approximately eighteen (18) acres. The IASHF site will be developed initially with sport fields for baseball, football, and soccer and later with a fieldhouse and museum housing memorabilia from Italian/American sports figures. The addition of the internationally recognized IASHF is a great asset to the Village.

TIME CAPSULE

A Time Capsule Committee has been formed by Mayor Tenuto to handle another phase of our Sesquicentennial Celebration. Meeting dates and times have not yet been set, but certain preliminary steps have been taken. Representatives of local organizations will be participating.

Ideas as to what items should be placed in the Time Capsule have been requested through local newspaper articles and letters to the local school districts. The deadline for submission of all suggestions has been set for July 4, 1983. Those selected will be notified in late August. All items selected by the Committee will be placed in the Time Capsule during the opening ceremonies of this year's Septemberfest on Sunday, September 11, 1983 at approximately 11:00 a.m. This capsule will then be sealed and buried in Founder's Park, not to be opened again until the year 2033.

Please submit your suggestion to the Time Capsule Committee by completing the following form and return to the Village Hall. Take this opportunity to be a part of a legacy.

Item to be placed in Time Capsule _____
Reason for your selection _____

Of what importance is this item to the Sesquicentennial Celebration this year and when the Time Capsule will be opened in 2033? _____

THE MAYOR REPORTS: PROPERTY TAXES — 1983 Village/Library

The property tax bills received recently in Bloomingdale reflect a *decrease* in the Village/Library tax rate from \$.7894 to \$.7442; which also resulted in a decrease in the dollars paid to the Village by about \$3.00 to \$7.00 for a home in Bloomingdale. Unfortunately, other increases on the tax bill caused the total tax bill to increase.

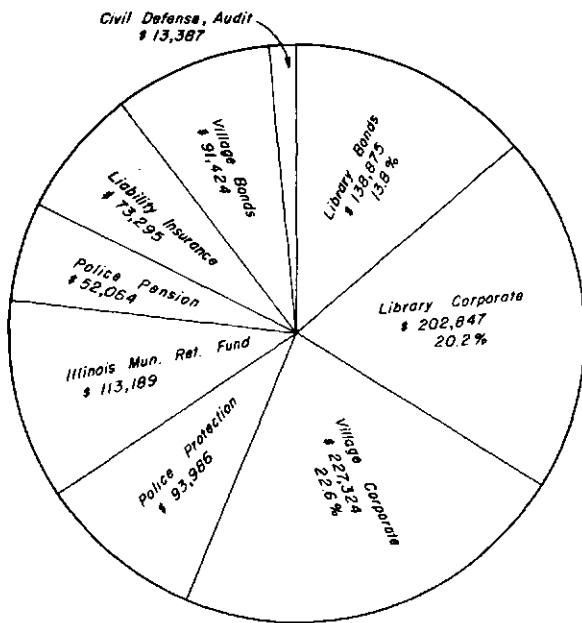

We take pride in the further decrease for Village/Library portion of the property tax. We have projected that next year's taxes for the Village/Library will be decreased further by an approximate amount greater than this year's decrease.

Although the Library and Village are separate and independent for the determination of their respective budgets and tax levies; both are combined on your property tax bill, in one total.

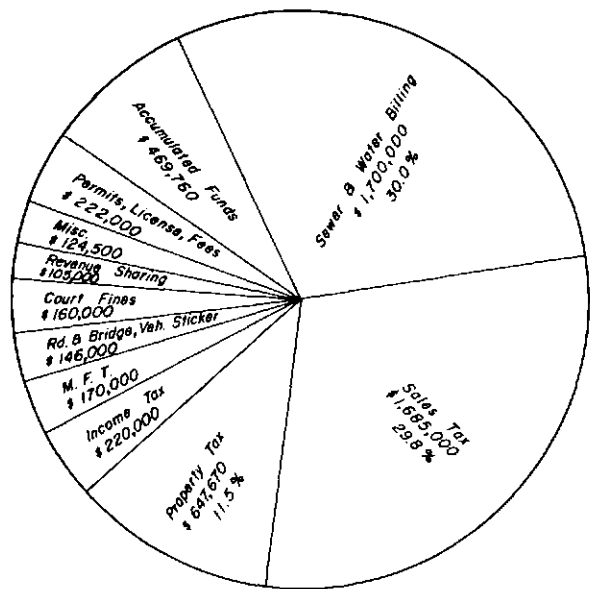

The 1982 Village tax rate would have increased \$.3420 if it were not for the Village Board's abatement (reduction) of \$462,452.00 in property taxes from your tax bill.

Typical Tax Bill Breakdown

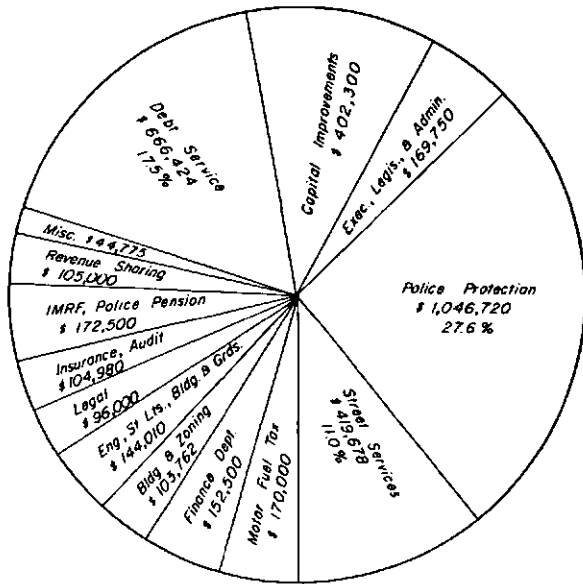

\$1,006,391
Total Village & Library Property Tax

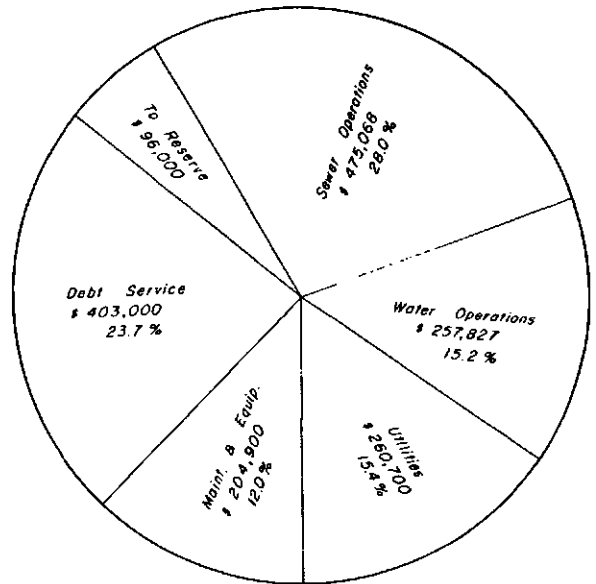

\$5,649,929 TOTAL
Village Revenue by Source

Since 1979, the Village Board has abated taxes amounting to \$96,500.00 payable in 1979; \$98,700.00 payable in 1980; \$99,800.00 payable in 1981; \$138,000.00 payable in 1982; and the amount stated above of \$462,452.00 payable in 1983. We intend to continue to implement fiscal policies that will further decrease the burden on local property taxes.

The tax rate of .4789 for the Village only is one of the lowest in DuPage County; and comprises only 6.5% of your total property tax bill. This compares favorably with other taxing bodies shown on the tax bill. (See Circle Graph on "Typical Tax Bill Breakdown").

\$3,798,399 TOTAL
Corporate Expenditures

\$1,697,495 TOTAL
Sewer & Water Expenditures

LAKE MICHIGAN WATER

On February 28, 1983, the Bloomingtondale Village Board agreed to continue in the effort to bring Lake Michigan Water to DuPage County, along with twenty-one (21) other DuPage County municipalities in the DuPage Water Commission.

Bloomingtondale and DuPage County depend on groundwater as our only potable water service for residents, business, and industry; and that supply is gradually being depleted. In 1980, the 650,000 DuPage County residents, along with business and industry, used nearly eighty (80) million gallons of groundwater per day compared to about fifty (50) million gallons per day that can be pumped without depleting the natural supply. This means that the water used by 40% of the County population is not being replaced by natural means. The present daily demand for water is projected to increase to about one-hundred and thirty (130) million gallons per day within the next forty (40) years, an increase of about 60%. The increased demand for water in the future will only accelerate the depletion problem.

Over the past twenty (20) years, water supply planners and engineers have considered numerous alternatives to sustain the delivery of good quality water to DuPage residents. Their conclusion is that Lake Michigan is the most cost-effective, reliable, and best quality water available.

The need for good quality water has been recognized by many neighboring communities outside DuPage County, and several other commissions have been formed. Arlington Heights, Palatine, Buffalo Grove, and Wheeling, through the Northwest Water Commission, are currently constructing a Lake Water pipeline. Just north of us, Schaumburg and Hanover Park are part of the Venture Group which is currently obtaining easements for a Lake Water pipeline. There are other communities that have recently made plans to utilize Lake Water to replace their own depleted groundwater supplies and have passed local referendums to approve the financing of these projects.

As can be seen, there is growing concern all around us to water quality and quantity that can be supplied. Water is one of our most precious commodities, and a long-term, viable solution to this problem is of the utmost need to us as residents to insure future supply.

The cost of constructing a pipeline and distribution system is currently estimated at \$310,000,000.00. Costs attributable to the Village of Bloomingtondale as our share is approximately \$9,000,000.00.

We are currently working on the most effective and equitable financing method to pay debt service on the proposed bonds. It appears that bonds supported by an increase in Sales Taxes would be the least expensive and the most equitable. Other methods of debt repayment resources considered are property taxes, user fees, and utility taxes.

Very truly yours,
William M. Horvath
Village Trustee
Representative to the
DuPage Water Commission

FALL TREE PLANTING PROGRAM

The Village Board has provided up to \$10,000.00 of expenditures to fund this year's Parkway Tree Program. As done last year, the Village will share in 50% of the cost, with the property owners paying the other half.

The following are details on the program:

1. Trees will be furnished and planted during the fall by a contractor hired by the Village.
2. The program is for parkway trees only, not for private property. In areas without curbs or sidewalks, the trees will be planted *about* 15 feet from the street.
3. Trees will be guaranteed for one year. Care instructions will be furnished.
4. Some locations may not be eligible based on safety reasons.
5. A limit of 2 trees per parcel frontage is standard. Corner lots may have up to 4 total.
6. Requests will be handled based on the date received.
7. The program also will be available to other public jurisdictions and commercial properties, with residential areas having first priority, and commercial the lowest priority.
8. The total cost of each tree is *estimated* to be \$80.00 or \$90.00, so the property owners share should be \$40 - \$45.00.

Interested persons should fill out the form provided and send it to the Public Works Department at the Village Hall.

INCARNATION ADOPTS MISSION STATEMENT

Holding services for more than a year, the Church of the Incarnation was dedicated as an Episcopal mission by Bishop James Montgomery on November 14, 1982. A mission statement was adopted by the congregation pledging "to continue the flexibility, the acceptance and openness toward various religious backgrounds, and the informality that is an essential part of who we are."

The Reverend Alvin C. Johnson, Jr. is the Missioner of the new church. "Our church has made a commitment toward involvement in various community programs," stated Father Johnson. "Accepting this commitment, our young people are experiencing Christian love and service to others through our 'adopt a grandparent' program at the Bloomingdale Pavilion. We are also exploring other ways in which we can be more involved in the community."

The church as on-going worship and educational programs including youth education classes from age two to eighteen and Bible study groups for adults. Services are held every Sunday at 10 AM at Central School, 112 Day Street. Father Johnson maintains his office at 181 S. Bloomingdale Road, and is available for questions about the congregation and the Episcopal Church, religious services and counseling. He can be reached at 351-3249.

SERVE AND PROTECT

Attendance boundaries for School District 15 schools were changed by the Board of Education in May. Students who reside in the areas listed below, who currently attend Black Hawk School, will attend Winnegabo School in the fall.

- a. The Dillon Townhomes
- b. The Havens
- c. Westwind
- d. Deer Glen
- e. Willow Bridge
- f. Wilshire Towers
- g. The northeast corner of Glen Ellyn and Army Trail Roads to Walter Drive

LOVE TO SWIM?

Join the Swim Team. Sign up at the Park District, \$18.00 with a pool pass, \$27.00 without. You must reside in the Park District boundaries to qualify. Register now to compete in first Swim Meet on June 18th. For more information call Cris, 351-2392 or the Park District, 529-3650.

SEPTEMBERFEST - 1983

Applications are still being accepted for booths in the Old Town area. If you are interested in participating, please call Julie at 893-8118 for more information. Booths are reserved on a "first-come, first-served" basis, so send applications back as soon as possible.

We are also looking for any youth groups in the community who would be interested in helping our committee in some capacity. If you belong to such a group or know of someone who might be interested, please call Julie.

Septemberfest Committee

The Bloomington Police Department has been especially busy lately with some extra programs to benefit residents. We wanted to both inform residents of these and to gratefully acknowledge their hard work.

In conjunction with our local banking institutions - American Heritage, Bloomington State, West Suburban of Stratford, Chicago Federal and Talman Home - the Police Department sponsored the annual excursion to Wrigley Field on May 20 for the Winnebago, Central and DuJardin safety patrols.

A presentation on bicycle safety was given to all grades at Winnebago School on May 25. The Department also conducted bicycle registration and safety inspection at the school for the students, parents and preschoolers. A total of 136 bikes were registered.

For the past two months the Bloomington Police Department has been involved in a program of fingerprinting children of all ages. All elementary and junior high schools in Bloomington were visited and parents given the opportunity to have their school children and preschoolers fingerprinted.

The records, which are given to parents for safekeeping, are valuable for identification should a child ever become lost, run away from home, or otherwise separated from his parents. The Police Department would like to especially thank Joe and Sam Ensalaco of Print Master in Circle Center for providing the printing of all forms needed for this program. Police will continue to fingerprint children at the station, but request that parents set up an appointment to do so.

Congratulations to our Police Chief Patrick J. McMahon for his recent election to the position of President of the DuPage County Chiefs of Police Association. McMahon just finished a term of one and a half years as the Association's Secretary. He will be sworn in at Medinah Country Club on June 5, 1983.

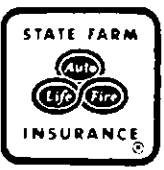

The Police Department's annual Bicycle Auction will take place on Saturday, June 25, 1983 at the Village Hall beginning at 10 A.M. Items for auction will be on display outside from 8 - 10 A.M. that morning.

SPOTLIGHT

When Trustee Walt Cropper graduated from Earlam College with a Bachelor's Degree in Political Science he never expected to run for a public office. In fact, he says he was pretty much an introvert for much of his life. That's almost hard to believe because if there's one thing you notice about Walt, it's his openness and tendency to say what he feels.

Cropper has lived in Bloomingdale for six and a half years since he married his wife Pat. Along with Pat came a ready-made family of five boys presently ranging in age from 16 to 23.

He currently works at the First National Bank of Chicago as a lead program analyst. His job is primarily people-oriented as he manages other members of the programming team and helps define computer solutions for business problems of the system users.

"People-oriented" might be a good way to describe Walt. His concern in listening to problems presented by the residents, his determination to try to find the fair and equitable answer, and his follow-up efforts to en-

sure that action is taken are all a part of his approach to the office of Trustee.

Trustee Cropper's earliest direct experience in community involvement was with the Bloomingdale Bears Football Program during the 1977-78 seasons. His early indirect experiences came from Pat, who has been active in many community projects and on the Police Pension Board since its inception.

Among his responsibilities his first two years as Trustee, Walt was the liaison to the Public Relations Committee which brought us in contact with him often. We are very grateful for his constant support and sincere interest.

Walt acknowledges if there is one thing he has learned from being on the Board of Trustees, it's that *everyone* has something or some skill to contribute to make local government function effectively. He would like to see more residents attending the meetings. Positive participation, he believes, is the strength of local government.

Cropper's favorite leisure activity (or "lack of" as he puts it) is reading — everything from Travis McGee mysteries to executive management books. In the summer he and Pat enjoy gardening at which we suspect they are more successful than Walt admits.

Of his two years as Trustee Walt says "I enjoy the people with whom I have been associated. The other Trustees, the staff and the Village residents have helped to make this job fun - and if it's not fun, it's not worth doing."

An introvert, Walt? C'mon!

BWC AWARDS SCHOLARSHIPS

The Bloomingdale Women's Club proudly announces its 1983 Scholarship winners. Leslie Klasing and Ronald Schaffner, both Lake Park seniors, were awarded scholarships. Leslie will attend Indiana University where she will major in Business and work toward a career in Management/Administration. Fall will find Ronald in Champaign at the University of Illinois as an Electrical Engineering major with an emphasis in computer design.

The BWC Scholarship program has recently expanded to include a woman's scholarship and this year there are three winners. Linda Beck is presently studying to become a

court reporter while working full time, in addition to being a single parent to five children. Kathy Bryers is enrolled at the College of DuPage in the Associate Degree Nursing Program while she works as a public relations assistant at the Wheaton Park District. Joy Bright is the mother of two college and one junior high school students. Secondary Education is Joy's major at Roosevelt University in Chicago.

The Bloomingdale Women's Club proudly looks forward to future scholarships. In fact, they have designated the first \$1200.00 from the 1983 Festival of Arts will go to the Scholarship Program.

 Journeys International
 Travel Agency

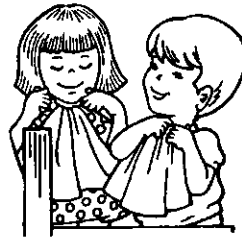

A delightful social event sponsored by the Founders' Festival Committee - nostalgic dress required from any era, 1800's through 1980's. Dance contests, costume contests, door prizes galore. For more information or tickets call Karen 980-6293 or Barbara 894-7135.

DINE WITH THE STARS

The Founders' Festival Committee is sponsoring "Breakfast with Mickey and Friends" on Saturday, August 27 from 8:30 A.M. - 11:00 A.M. at Westfield Junior High, Fairfield & Schick. Tickets are \$2.50 per person for both children and adults. There is no age limit but children must be accompanied by an adult.

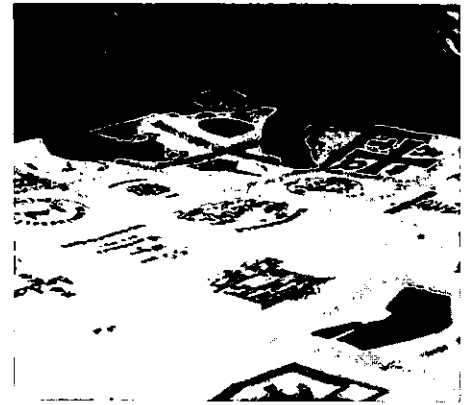

The morning will also feature a performance by a troupe of student players from the University of Denver courtesy of Stratford Square Shopping Center.

Advance tickets will go on sale on July 4th at the Country Fair in Circle Park and will be available after then at the Village Hall. Seating is limited to 200 so get your tickets early.

FESTIVAL OF ARTS

The BWC is sponsoring its 11th Annual Festival of Arts on September 11, 1983. They are looking for artists & craftsmen interested in displaying and selling their original works. An all juried fair with cash prizes. For information on categories call Christa, 529-5154 or Kathy, 529-4731.

On May 4th the DuPage Eves and the Friends of the Bloomingdale Library began assembling a quilt made up of patches representing 35 of the local organizations. The quilt is expected to be finished this summer and will be placed on permanent display at the library.

STREET REPAIRS

During the Budget review process, the Engineering and Public Works Department prepared a list of Village streets which are in need of repairs and resurfacing. Based upon the list, which was prepared on a priority basis, the Village Board has made available this year approximately \$300,000.00 for the program.

Many of these streets will be prepared first by our own forces, prior to resurfacing by an outside paving contractor in an effort to reduce costs. Based on our preliminary estimates of cost, the following streets will be included in this year's repairs, to be completed this summer or early fall. Those followed by an asterisk(*) indicate entire street to be done.

Martin Lane*	Pheasant Lane*
Skylark*	Redbird Road*
Kildeer Road*	First Street*
Lockwood Lane*	Woodcrest Court*

OLD TOWN PROFESSIONAL PLAZA OPENS

Bloomington has turned time back to the 1890's with the opening of Old Town Professional Plaza. Located at 125 S. Bloomington Road, the plaza which was originally planned as a turn of the century shopping center, offers a beautiful detailed reproduction of the popular 1890's architecture. Several of the new tenants are:

J. DisPennett Inc. General Contractor - The plaza builder, J. DisPennett Inc., is located in Suite 9. Jim DisPennett, president, said his company has been building commercial and industrial buildings for over 14 years. They have built 40 industrial plants and garages in Schaumburg, 45 buildings in Elk Grove Village, and the 10,700 square foot Bartlett Shopping Center.

His company has the personnel and equipment to design and build any commercial or industrial construction you may need. (529-7000)

John D. Keller and Associates, Attorneys at Law - Serving the Bloomington area for over eight years, John D. Keller opens a new law office in Suite 11. John and his three associates, Timothy Cronin, Anita Donath and Wayne Mular, offer experience in a wide range of legal services. They are willing and able to help you with any and all of your legal needs. (894-2525)

Schoen, Coyle and Co., Certified Public Accountants - After outgrowing their old office at 107 Bloomington Road, Mr. Bob Schoen and Mr. Seamas Coyle opened their new office in the 300 square foot Suite 5. Bob and Seamas are assisted by a staff of ten, with Mr. Robert Arendt as manager. Their on-premises computer system can help you prepare financial statements, taxes and various reports for both small and large businesses. They are also prepared to help individuals with their financial record keeping and tax preparation. (980-4121)

Journeys International Travel Agency - Owners Tony and Maggie Cimino consolidated their suburban and Chicago agencies under one roof in the Plaza's two-story Suites 1 and 2. Their new agency offers a full line of domestic and international travel for groups of one to thousands. This year they will have arranged a trip to Spain for 1,000 people and will have sent 3,000 people on sunny vacations in Hawaii.

Tony and Maggie are assisted by ten employees who are also experienced in assisting travelers with vacations, business trips and with planning itineraries. For your convenience office hours are: Monday through Friday 8:30 a.m. to 6:00 p.m.; Saturday 9:00 a.m. to 2:00 p.m.; anyone with a special need can call for an appointment. (980-4880)

Drs. Schapiro, Webber and Associates, Psychologist and Psychiatrist - Drs. Robert Schapiro and Barry Webber have recently opened their practice in Old Town Professional Plaza, Suite 12. They are assisted by an additional psychiatrist and four psychologists.

For the past eight years, Dr. Schapiro has maintained his practice in psychiatry in Bloomington. Prior to this time he was Director of Ravenswood Hospital's Mental Health Center. Bob developed the City of Chicago Drug Abuse Program and has also served as Assistant Professor at the University of Illinois Medical School's Department of Psychology.

Dr. Webber is a clinical psychologist who has been in practice for five years. In addition to being a psy-

chologist Barry is also an ordained minister in the Church of the Brethren.

Services offered include individual and group therapy. Dr. Schapiro sometimes uses hypnosis to assist patients to cope with cancer, to control weight and stop smoking. From time to time they also offer lectures like the "Stress Management Program" to be held Tuesday, July 12, 1983, at the Bloomington Library.

Appointments are available Monday through Saturday with evening hours until 10:00 p.m. (893-3350)

TWO DENTAL PRACTICES OPEN IN CLOVERLEAF

Dr. Clayton Crane - Orthodontist - Dr. Clayton Crane has recently opened an office in the Cloverleaf Tower, 201 East Army Trail Road, Suite 309. His practice administers to children and adults who require having their teeth straightened due to improper growth or accidental causes.

Patients are accepted either through your dentist's referral or by direct appointment. Dr. Crane offers consultations at no charge. His office is open daily Monday through Friday. (894-4333)

Dr. Frank D. Letizia, DDS - Dr. Letizia opened his office for the practice of family dentistry in the Cloverleaf Tower, 201 East Army Trail Road, Suite 309. His practice offers a comprehensive, fully equipped office to serve any need from filling teeth to oral surgery. In addition to repairing damaged teeth, he will also outline a program to prevent tooth decay and other oral hygiene problems. Dr. Letizia also offers consultations at no charge. For your convenience evening and Saturday appointments are available plus a 24-hour emergency service. (529-0303)

UNIQUE BATH BOUTIQUE

There is something very inviting about Suite 102 in Cody's Hotel, the Unique Bath Boutique, and that feeling is no accident. It's the sum total of owner Carol Chernovsky's careful selection of choice merchandise, her obvious knack for decorating and a genuine interest in satisfying the needs of her customers.

Carol has been in business management for 15 years, but this is her first experience as a proprietor. She admits she's always found a certain charm in bath boutiques with their novel merchandise, so this was a natural choice. Carol strives to provide a different twist to decorating the bath, featuring some very unique items.

You can find everything from the smallest necessity to the most elegant accessory at Unique Bath Boutique at somewhat less than "boutique" prices. The Fieldcrest towels, appliqued, embroidered and embellished, come in the richest of colors. Ransburg plastic accessories match the lovely shower curtains available (window curtains can be special ordered). Right now Carol has wooden hardware in stock, but due to multiple customer requests, she will eventually carry other types, including chrome and lucite.

Among the many lovely and unusual accessories are handmade miniature bathroom shadow boxes, silk and dried flower wall decor, quilted soap and hand towel baskets and Andre Richard ceramics. Carol's favorites are the concrete figures

There is a collectors' paradise right here in Bloomingdale and it's cared for by a delightfully charming lady by the name of Sylvia Reuter. The paradise is Articles & Old Lace, 126 W. Lake Street. We say "cared for" because although Sylvia owns and operates the shop, she is not merely a shopkeeper. Sylvia is a collector herself - especially fond of Lladro, crystal and dolls. So when she buys for her shop, Sylvia buys what she'd love to have in her home.

And oh, what treasures you'll find here. Lladro, Anri, Strass crystal, Kosta Boda, Ron Lee clowns and carousels. There is Whimsey-on-Why English porcelain by Wade, Aus-Ben dogs and wildlife, Rowe pottery from Cambridge, Wisconsin - each piece individually handmade and initialed - and Wilton Armetale.

If all this sounds like a bit much for your pocketbook, take heart - first, she has lay-away, and second, we aren't finished. There are hand-carved wooden pieces, hand-poured candles in the shapes of antique glasses, candleholders and printers' type in small pieces and larger signs, all of which are elegant, yet inexpensive. And there are specials every weekend.

and fountains which will be carried throughout the summer, but this writer felt the most delightful and unusual piece to be a ceramic toilet filled with silk and dried flowers.

Carol acknowledges people often buy gifts in her shop, but she firmly believes we ought to occasionally buy ourselves a "gift." That's why she offers a lay-away plan as well as gift certificates and bridal registry.

To get some ideas on how to give your bathroom a new look, stop in and see Carol. We guarantee even if you just stop to look, you'll want to come back again.

**KEEP YOUR TAX DOLLARS
WORKING FOR YOU!
BUY IN BLOOMINGDALE!**

Many of the items in Articles & Old Lace can't be found elsewhere in Illinois because of Sylvia's dedication to the art of collecting. Even while vacationing she has always sought out the local craftsmen looking for the unusual. One of the more unique items is the collection of hand-sculptured dolls which are sculpted from real children. One of Sylvia's favorite finds are the stuffed animals made from antique quilts.

Even the antique collector will find something here, Depression Glass, chocolate candy molds and much more. Sylvia also carries the pieces for creating your own St. Nicholas dome, an old-fashioned Christmas favorite.

You may have heard of Articles & Old Lace before; Sylvia moved here from Long Grove. But if you haven't been in the shop yet, do visit. You might discover the collector in you too.

SUNDAY TRANSPORTATION

William S. Kassal, Supervisor, is pleased to announce that transportation service will be available to all residents in Bloomingdale Township on Sundays between the hours of 10 AM and 3 PM. This pilot program is being offered from June 19 to September 11.

The door-to-door service will provide transportation for church services, restaurants, visits to relatives or nursing homes, Stratford Square or any other requests within the township boundaries.

The regular dial-a-ride service operates Monday thru Friday 9-4. For reservations or information call 893-7555.

If mailed, please write the word "Contest" on the outside of the envelope.

Lustig Jewelers Wants Your Vote

The beauty of Bloomingdale lies with the people. Bloomingdale is celebrating their 150th anniversary. Our town has prospered greatly since 1833. The beauty and strength of our community rests with its people, honored residents, policemen, firemen and organizations. All of these people have worked together for the mutual betterment of the community. Now is the time to recognize this dedicated work and devotion. The people have made this community work for a century and a half, so please take just a few minutes and kindly fill out a ballot.

Ballots may be obtained at Lustig Jewelers - Stratford Square and the Village Hall.

Your Vote Makes All The Difference.

Robert Jay Burack
Manager - Lustig Jewelers

Your entry makes you eligible for the following:

*You may vote for any or all of the five categories, but must use separate ballots which can be obtained at Lustig Jewelers (Stratford Mall), City Hall and other locations to be announced. Look for ballots in your local papers.

DISTRICT 13 NEWS

by Karen Gerovac,
Board of Education President

THANK YOU

(In many school districts, the President of the Board of Education presents an end-of-the-year report. Your Board is taking the opportunity to present this informal report in this column.)

This is a logical time to think about a few of the past year's accomplishments and to think about what the future holds for our students. One of the most important curriculum areas addressed this year was implementation of the new reading program. A recent extensive evaluation of this program has caused the Board to be very pleased with the results. Three years ago the Board launched a program to conserve energy in the schools. I am happy to report that the Illinois Department of Energy and Natural Resources has awarded our district the Energy Management Award for 1982. This is particularly significant because 1982 included one of the coldest winters in our area's history. An earlier column detailed some of the savings realized in our utility bills.

Certainly, however, our economic circumstances are causing us to look at many areas of cost. The Board has already approved a series of cuts in non-personnel areas and continues to study the possibility of further cuts in these areas.

Looking toward the future, we want to give the incoming 117 kindergarten students every educational opportunity the 158 we just graduated have had. With the present projected deficit in our Education Fund (70% of our entire budget) this year, it will not be easy. When the books are closed on the 1982-83 school year, we anticipate that our income will be \$175,000 less than our expenditures. Because of the uncertainty of what the state will provide next year we are not generally optimistic. In fact, our present estimate is that we will receive \$490,000 in general state aid rather than the \$620,000 which we received this year.

In an effort to recover some of your tax money used to repair builder defects in Westfield School, we are cooperating in a lawsuit filed by the state Capital Development Board to recover this money.

Because of the financial crunch, we thought we would have to delay putting micro-computers into our schools. But our volunteers have come forth, with DuJardin and Central Parent-Teacher Organizations, and Westfield's Student-Parent-Teacher Organization pledging \$12,000 to purchase computers.

We are preparing a slide show that will give you an overview of the district's education program and our current financial status. This presentation will be available for community groups by September. We welcome the opportunity of presenting it to you.

If you would like further information regarding any of the things I have addressed in this column, please feel free to call me, other board members, or the district administrators.

Thanks to all the students whose works were displayed at the Park District Museum's 2nd Student Art Show this spring and whose creativity and input helped make it a success.

A special thanks to Mrs. Parrilli of DuJardin, Mrs. Bristow of Westfield, Mrs. Cherrie of Central, Mr. Bartz and staff from Glenbard North, Mr. Ron Wolstenholm and staff of Lake Park and Mrs. Linda LaMantia who teaches our Park District pre-school art classes.

Bloomington Garden Club helped Central and DuJardin school children celebrate Arbor Day on April 29 by providing each child with a flowering crab seedling to be planted at home.

WHAT'S HAPPENING?

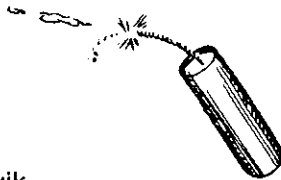

- June 18 & July 16** Bloomingdale Football Registration. 9:00 A.M. - 1:00 P.M.

- 9:00 PM Fireworks Display

LIBRARY NEWS CHILDREN'S CORNER

Summer is coming!... and with it great things for all of you at your **LIBRARY**. Records, tapes, and puzzles are here... Games and magazines and **LOTS of NEW BOOKS**.

Saturdays in July will be **CHILDREN'S FILM DAYS**... Plan to be with us in the Library Meeting Room at 1 o'clock on July 9th, 16th, 23rd, and 30th for great movies.

This year our 8th annual **SUMMER READING GAME** will be called **LITTLE LIBRARY ON THE PRAIRIE**.

You can be pioneers, traveling in covered wagon name tags from a starting place in Vermont where our first settlers came from, to your goal...**BLOOMINGDALE!** Reading and reporting on 25 books will bring your wagon home, and you will receive an award from **McDONALDS** in recognition of your achievement. We'll have a **PARTY** on August 27th at the library for everyone who signs up to read... a puppet show, awards, treats, and a surprise guest. Plan to come.

YEA BEAMERS!

The Bloomingdale Beamers Park District Gymnastics Team ended their competitive season on a high note. In the I.P.D.G.C. Compulsory Conference Meet, the **CLASS IV** division tied with Addison Twisters for a First Place. The **CLASS III's** walked away with a First Place finish. In the Optional Conference the Beamers swept First Place with a score of 132.9. Congratulations to all those talented young ladies and their coaches!

Campfire Groups

Camp Fire groups for boys and girls are now forming in this area. Have fun, learn about nature, enjoy group activities, outings and crafts. Small groups will be meeting weekly starting in September, but you can join now and be included in the fun trips and activities planned for this summer. Call Sue at 980-0380 for more information.

LIBRARY NEEDS DIRECTOR

The Bloomingdale Public Library is seeking a director to fill a vacancy on its Board. People interested in being considered for the position may submit a resume to Dale Budde, President, Board of Library Directors, Bloomingdale Public Library, 101 Fairfield Way, Bloomingdale, Illinois.

Library Directors serve as representatives of the library, establishing policies to govern the library's operations and administering funds received for library purposes. Meetings are held the 3rd Wednesday of each month at 7:30 p.m., in the library.

Directors must be at least 18 years of age and reside in the Village limits of Bloomingdale.

Telephone inquiries may be directed to Gay Nass, Administrative Librarian, Bloomingdale Public Library 529-3120.

“WHAT DO YOU THINK?”

The stretch of Greening Ave. between Winnebago School and Hempstead Lane is unlighted by street lamps. In addition to a long curve and substantial grade, it also crosses over a culvert where children often play. With the warmer weather coming we'll have joggers and more children in this area. I'm afraid it's a place waiting for a serious accident to occur.

Tom Kelly
155 Hempstead Drive

There have been concerns expressed in the past about this area. Thank you for once again bringing it to our attention. A new street light has been installed.

Daniel C. Wennerholm P.E.
Director of Public Works/
Engineering

I think that the “No Parking” fire lanes in front of the stores at the Springbrook Shopping Center should be patrolled more often. There are always cars parked there which makes the lane too narrow to drive safely and makes it dangerous for people leaving the stores to get to their cars.

Name withheld by request

The Police Department is very familiar with the abuses occurring in the fire lanes at the center. However, the center is private property and State law prohibits police from issuing citations unless the owner of the center acts as complainant in each case. Just recently Management of Springbrook responded to our overture and we are presently negotiating an agreement allowing our Police Officers to issue cita-

tions for parking violations in the center.

Patrick J. McMahon
Chief of Police

I think one of the things that should be considered is a map of the Old Town area listing the shops. This would be a help to the businesses and to everyone telling their friends about the area. Also include time shop is open, etc.

Bev Manns
225 Lakeshore Lane

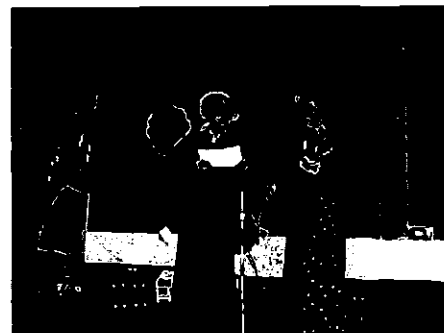

We contacted David Heil of the Old Town Merchants' Association who indicated the Association has just recently completed such a project. The map is now available in the Old Town shops.

Jim Krautstrunk
Director of Building & Zoning

IN CELEBRATION OF A SPECIAL YEAR

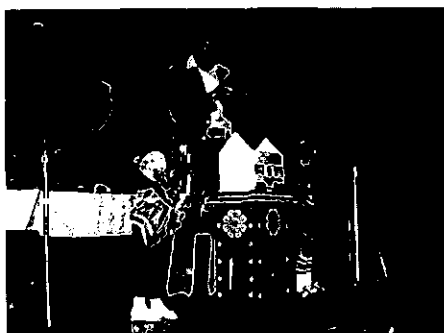

Fashions spanning 150 years were presented at the Bloomingdale Women's Club Fashion Show “You've Come a Long Way, Baby” on April 16th. The fund-raising event was dedicated to Raymond Friscia Jr. (son of a former Village Trustee), a juvenile diabetic who passed away last fall. Proceeds from the show went to the Juvenile Diabetes Foundation.

Leading the children in song at the party are Children's Librarian Pat Chanley and Diana Fisher. Their song about the growth of Bloomingdale was written by Mrs. Chanley.

“The Way We Were” was a delightful step back in time featuring old-time food, demonstrations of time-honored crafts and displays of nostalgic collections. Sponsored by Bloomingdale State Bank and the Founders' Festival Committee.

Magician Freddy Fredericks has a captive audience at Bloomingdale's 150th Birthday Party for preschoolers. The event was sponsored by the Welcome Wagon on May 14th.
