BLOOMINGDALE CHURCH CELEBRATES 15TH ANNIVERSARY

On Sunday, April 18, the Bloomingdale Church celebrates its fifteenth anniversary as a congregation with several special events.

The celebration commemorates the first gathering of a founding core of four couples, its first service meeting at the Marquardt School on Glen Ellyn Road and the significant growth that the church has enjoyed since that time.

The congregation, from Bloomingdale and surrounding communities is comprised of people with varied church backgrounds who appreciate the church's focus on community and the relevance of basic biblical truths to a contemporary society.

Emphasizing that "people orientation", the 12-foot tall hand-carved wooden logo, designed 15 years ago by a church member, continues to keep the congregation focused.

Pastor Riemenschneider has guided the church since its inception under the sponsorship of the Lombard Bible Church and the Blanchard Road Church. Pastor Riemenschneider origi-

nally invested much of his time personally contacting people in the area to invite them to services and to learn what the community needed in a local church. He has just completed a seven-year Doctor of Ministry program at Denver Seminary and will graduate in June.

His wife, Marina, has been actively involved in the program. One of her most outstanding accomplishments is coordination of the church's summer day camp which last year attracted more than 400 children. They and their two boys live in Bloomingdale.

Pastor Dan Burneister, the church's full-time Youth Pastor leads a full complement of youth activities with the help of eight lay adult youth sponsors. The teen program includes a teen band and a teen drama team that perform at church functions. He strives to provide activities like participating in a Habitat for Humanity project, so that teens can integrate religious training with real-world experiences.

The church welcomed Associate Pastor Bill Oberlin two years ago.

Working as a team, the congregation completed the construction of a new gymnasium/activity center in 1991 to meet expanding needs of its people. Volunteers worked weekends throughout the winter excavating, pouring concrete, setting roof trusses and roofing.

"It was a lot of work but a rewarding time. Now when I walk into the building, it makes me feel good to realize that we all did it together," notes Russ Stock, one of the volunteers. The activity center has enabled the church to expand its teen and children's programs.

Other outreach programs that the church sponsors include:

Morning Out Moms (M.O.M.'S), which offers a structured program for nursery and preschoolers and a hands-on craft and devotional speaker for mothers every 2nd Tuesday of the month at 9:15 am at the church.

Lambs and Ewes, a new program for mothers and babies that meets on the 1st and 3rd Friday of each month at 9:30 am

The Awana Club, a midweek age-specific program that offers games, gymnastic activities, stories and other activities for youth.

A comprehensive program of music and other media presentations for both adults and youngsters, that enhances Sunday worship services.

Festivities on April 18 will include special worship services at 8:30 and 10:45 am; "It's time for B.C. - A.D." dinner at Glendale Country Club at 4 pm; and a program of dramatic sketches, music and testimonials at 6:30 pm. For information call the church office at 894-0090.

Yard Waste Season Is Underway

As many residents know, Browning Ferris picks up yard waste as part of the Village's yard waste program. Yard waste is to be placed curbside in either 33 gal-

lon or less containers or in biodegradable paper bags. Yard waste stickers must be applied regardless of the method used.

Yard waste stickers are \$1.05 each and are available at the Village Hall, or at the following local businesses: Ace Hardware, True Value Hardware, Dominicks, Jewel/Osco, Econ-O-Mart and Bloomingdale Pharmacy. They may also be purchased directly from B.F.I. Remember, a yard waste sticker must be applied to each container or bag used.

The Village received many questions about alternatives to placing numerous containers curbside. Purchasing a lawn mulcher is one option. Rear yard compost piles are allowed, but the burning of leaves and other yard waste is not permitted by the Village's municipal code.

NEW ITEMS TO RECYCLE

The Village of Bloomingdale is pleased to announce as of April 1, 1993, paperboard (originally called chipboard and/or boxboard) was added to the list of materials being collected by the curbside and drop-off center recycling programs.

Paperboard is a single-layered cardboard that is either grey, white or brown in color on the inside surface and is often printed on the outside. Paperboard is in the packaging of breakfast cereal, pasta, crackers and other dry foods. You will also find over-the-counter, drugs, personal hygiene products, tissue and shoes in paperboard boxes. The cores of toilet tissue and paper towels are also made from this material.

Paperboard that is grey or grayish-brown on the inside is usually manufactured, at least in part, with old newspapers, corrugated boxes and paperboard. By looking for that gray-colored package, consumers are helping to create markets for their own recyclables.

There are, however, limitations to what can be accepted in recycling programs. Due to present market limitations, the DuPage County Processing Facility **CAN-NOT** currently accept the following materials:

- all frozen food boxes
- all other wet-strength containers
- all beverage carriers (6, 12 & case boxes)
- any container that has plastic, metal or waxed coating attached in some way.
- egg cartons
- laundry and soap boxes

Today the Village of Bloomingdale accepts the following in the curbside and drop-off program:

- paperboard
- corrugated boxes & brown paper bags
- aluminum can & foils
- PET & HDPE plastic bottles (only #1 & #2)
- 2-liter pop bottles, water, milk, laundry & juice bottles
- plastic 6- and 12-pack rings
- empty aerosol cans
- newspaper (with all Sunday supplements)
- magazines & catalogs (includes all glossy magazines & catalogs)
- phone books
- glass bottles & jars
- steel cans

Residents should receive a letter from Browning-Ferris explaining the addition and procedures for preparing paperboard for recycling. If you have not received a letter call Browning-Ferris at 469-1036.

In other recycling news, the Illinois EPA is sponsoring several one-day household hazardous waste collections in surrounding areas. These sites are open from 8 a.m. to 3 p.m. on the specified dates.

Candidates For

ROBERT G. IDEN, Village President

Bob and his wife JoEllen and their daughters have resided in Bloomingdale since 1968. A graduate of Southern University with a business degree and Bob is president of Iden Company, a national manufacturing firm.

For the last 14 years Bob has been a Village Trustee. He has been liaison to the Village Plan Commission, Comprehensive Planning Commission, Chamber of Commerce, the Cable Television Committee, and the DuPage Community Development Commission, among others. He also served as Chairman of the Planning & Zoning Committee and was one of the charter members of the Bloomingdale Historical Society.

Bob has continually demonstrated his leadership in accomplishing many programs which benefit the entire community. Among these is ensuring that the comprehensive land use plan was fully implemented to safeguard the growth and quality of life in Bloomingdale.

"As Village President, I will continue to set policies and establish the direction of Bloomingdale consistent with the goals we have outlined."

LOU MUZI, Village President

Lou Muzi has lived in Bloomingdale with his wife, Leticia and his family since 1968. A native of Rome, Italy, Lou has not had any political experience here, however, he started and has been very active in the Bloomingdale youth soccer program.

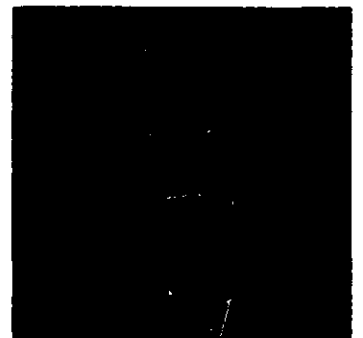

Lou, who has degrees in management and accounting, says he will keep a closer watch on how Village funds are spent and that he will "let people know where the money is going." He believes common sense and the business experience he has gained in the mortgage industry will be invaluable to him as Mayor. He also vows to be willing to meet with residents to hear their concerns firsthand.

HARRIET FORD, Village Clerk

A resident since 1972, Harriet Ford and her husband Richard, have five children. Employed as a coordinator of community relations of Pulte Home Corporation, Harriet has a degree in business administration.

Among her civic involvements, Harriet has served on District 15 School Board, the DuPage County Commission on Mental Health and the Township Committee on Youth, as well as on the Family Fest Commission and Public Relations Committee.

"I believe in active contribution and participation in organizations that benefit our residents directly. By working together we can continue to provide a fiscally sound, environmentally safe community for all of us and future generations to come."

April 20 Elections

RAY FRISCIA, 4-year Trustee

Ray and his wife Marie moved to the Bloomingdale Westlake area in 1973. He served as president and board member of the Westlake Townhomes. Over the years, Ray has served in several civic capacities including serving as a Village Trustee for two and a half years, and as organizer and chairman of Bloomingdale Youth Commission. He also served for four years on the Marquardt District 15 School Board, chairing the Finance, Buildings & Grounds and Negotiations committees.

Ray believes the quality of life in Bloomingdale must be "protected intensely." He intends to pursue more police officers for traffic and gang deterrents, to promote "Buy Bloomingdale" and to establish informal Saturday morning trustee/citizen meetings. "I look forward to going back to the Village Board with 15 additional years of experience in Bloomingdale."

JAMES M. GEBIS, 4-year Trustee

Jim, his wife Carol and their three children have lived in Bloomingdale since 1977. He has been actively involved in the community for 14 years, serving for over 10 years on the Plan Commission. The commission experience, along with his engineering, background have been invaluable to him as Chairman of the Environmental Concerns & Public Works Committee and in the formation of the Traffic Concerns Committee.

The quality of development and its relationship to the residents has been one of Jim's major concerns. "There is no reason we cannot protect our environment when private and public projects are developed in Bloomingdale."

ANTHONY MULIZIO, 4-year Trustee

Tony, his wife and five children have resided in Bloomingdale since 1973. Tony is currently on the Plan Commission. He believes the role of the Plan Commission is a primary force in preserving and enhancing the quality of life in Bloomingdale. Tony has been active in several other areas. He has been president of the St. Isidore School Board and Administration Committee. He has also been actively involved in the Bloomingdale baseball and football associations.

"As a Village Trustee, I will dedicate my efforts to the development of a citizen's advisory committee to work in conjunction with the Village Board to satisfy the growing needs of Bloomingdale."

PAMELA I. RION, 4-year Trustee

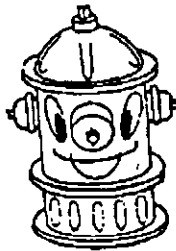

Pam, her husband George, and their three children have resided in Bloomingdale since 1985. She has served on the Indian Lakes Homeowners Association, Bloomingdale Community Affairs Committee and the Park District Recreation Task Force, as well as currently serving as chairman of the Neighborhood Watch Steering Committee through which she has been instrumental in forming the Business Watch program.

She is also on the Advisory Board for Bloomingdale Township Committee on Youth and has been a Republican Committeeman for Bloomingdale Township since 1990. "As a trustee, I will continue to promote crime prevention and youth programs within Bloomingdale."

1993 Hydrant Flushing Schedule

It's that time of year again. Starting Tuesday, April 13th through May 6th, the Village Services-Utilities Division will be flushing hydrants throughout the Village. The flushing will occur between the hours of 8 P.M. and 12 midnight. Please **DO NOT WASH LAUNDRY** during the flushing hours, as rust staining of the clothing may result. Residents with water softeners are encouraged to check the cycle time of their softeners so that the unit does not regenerate during this period.

One question that is always asked is - "Why does the Village flush hydrants?" Hydrant flushing is routine maintenance for a water system. It accomplishes the following:

1. Improves water quality: Flushing removes minerals such as iron and magnesium that have collected in the water mains.
2. Improves water flow: By removing these minerals, the inside diameter of a water main is increased and therefore, allows a better flow of water.
3. Hydrant maintenance: A fire hydrant is a mechanical device. Operation of a hydrant lubricates internal mechanisms and gaskets.
4. Hydrant inspection: Any deficiencies are noted and repaired as necessary to insure that each hydrant will perform when needed for an emergency.

The schedule for hydrant flushing by area will be as follows:

Utilities Update 1993

HELP PROTECT OUR NATURAL WATER WAYS AGAINST POLLUTION

The Village currently maintains 70 miles of underground Storm Sewers. As part of this system there are 900 manholes and 2800 inlets/basins, which allows access for maintenance and more importantly storm water run off.

The purpose of the Storm Water Collection System is to take storm water run off away from streets and structures. The water enters the system at curb or yard inlets and is then transported by gravity through the Storm Sewer Mains. The Storm Sewer Mains deliver the water to retention or detention ponds, which in turn discharge into natural water ways.

The Storm Water Collection System is completely separate from the Sanitary Sewer Collection System. While they have similarities in the way they transport the flows received, the destination is different. The Sanitary Sewer Collection System discharges to the Water Reclamation Facility located at Glen Ellyn Road near Edgewater Drive where it receives treatment prior to dis-

charge to the East Branch of the DuPage River. Storm water receives no treatment prior to discharge to the receiving stream.

It is important to understand that anything dumped into any of the storm water inlets eventually is discharged into natural water ways and endangers the environment. Village Ordinance 92-31 strictly prohibits the discharge of any flammable or toxic, in liquid, gas or solid forms into either sewer system. Examples would include motor oil, gasoline, paint, paint cleaners and cleaning solvents. Fines for violation of this ordinance can be levied from \$50 to \$500 per occurrence. In addition, violators can be responsible for clean up costs which normally run thousands of dollars.

The Village requests that all our residents help us combat this type of potential pollution. If you see anyone dumping anything into the inlets near your house, please call the Bloomingdale Police Department at 529-9868, or the Public Works Utilities Division at 529-5865. If you would like more information, please contact the Village Services-Utilities Division.

VOLUNTEER GROUPS WANTED

The Village is planning a Storm Water inlet identification program, this coming summer. The program consists of marking inlets with a painted emblem. The emblem was designed by the Conservation Foundation of DuPage County and bears the message, "DUMP NO WASTE! - DRAINS TO RIVER," split by a silhouette of a small-mouth bass. The program's primary purpose is to prevent pollution by increasing awareness.

The Village will supply the emblems, paint, and a liaison from Village Services-Public Works, to assist volunteer groups willing to donate their time and efforts.

Volunteer groups seeking more information or wishing to participate in the program should contact Robert C. Maguire, Utilities Superintendent at 708-529-5865.

MAY 7 IS CAREER DAY

The Chamber of Commerce encourages all businesses in Bloomingdale to participate in the May 7th Career Day sponsored jointly with the Village of Bloomingdale and School District 13.

Students will be assigned to participating businesses where they will spend the afternoon learning what it means to "go to work."

If you would like to join in this community event, please call the Chamber of Commerce, 980-9082.

ROAD CONSTRUCTION - SUMMER 1993

RECONSTRUCTIONS

The Village is planning to reconstruct Kingston Lane and Freeport Drive (Kingston to Lockwood) and Greenway Drive from Edgewater Drive to west of 159 Greenway Drive during the summer of 1993. This project includes removal and replacement of the existing asphalt pavement including curbs and gutters, and road base. The new road will be the same width as the existing road; no widening is planned. All work is funded 100% by the Village.

The project is scheduled to begin during the month of June and will take approximately 3 months to complete. During construction, the road will be closed to through traffic. If you live in the construction zone, or on one of the adjacent streets you will be permitted to proceed past the barricades to reach your residence.

For Greenway Drive, all other through traffic should follow the posted detour route. The detour route is Greenway Drive to Bloomingdale Road to Edgewater Drive to Greenway Drive or the reverse route (Greenway to Edgewater to Bloomingdale to Greenway).

As part of this project, the Village will be installing a depressed curb at each driveway. This means the "bump" at the curb of each driveway is being eliminated, and a smooth transition from the street to each driveway will be constructed. The Village will also be reconstructing the driveway aprons, that is, the concrete driveway between the sidewalk and the curb, as part of the project.

If you have any questions regarding this project you may call Scott Reisinger, Engineering Technician, Engineering Division, at 893-7000 Ext. 235.

PARK DISTRICT REFERENDUM

The Bloomingdale Park District is seeking referendum approval in the April 20 election. Essentially, it is asking the voters to authorize moving 15¢ from the Bond & Interest Fund to the Corporate Fund. By restructuring its debt, the Park District can funnel these funds into significantly improving the parks, facilities and programs currently available.

Among the improvements planned are:

- a revitalization of all parks, including enhancements such as playground upgrading, improved turf & landscaping, passive use facilities and more
- 5,400 sq. ft. of additional space under roof to the Johnson Recreation Center and renovate pool
- construction of a new recreation center at Springfield Park
- new teen center, senior center, pre-school classroom, new fitness center, additional gymnasium and aerobics space.

OVERLAY MAINTENANCE

The Village is planning to perform overlay maintenance on Raven Lane (Bloomingdale to Wren), Picton Road (Bloomingdale to Glendale Terrace), Whitehall Terrace, Old Mill Lane, Kensington Court, Lakemont Court, Martin Court, Martin Lane, Killdeer Road, Pheasant Lane, Pheasant Court, Redbird Road, Redbird Court, Glen Ellyn Road (Ironwood to Byron) during the summer of 1993. All work is funded 100% by the Village.

New overlay construction consists of repairing curbs which do not drain properly, repairing failed pavement areas and installing a new asphalt surface over the entire road. We will not be repairing cracked curbs unless the failed curb is impeding drainage.

During this project, the streets will remain open to traffic. There will be brief periods when certain sections of the road are temporarily closed while work is taking place at a particular location. This work will begin in July and will take approximately 8 weeks to complete.

If you have any questions regarding this project, you may call Larry M. Slavicek, Engineering Technician at 893-7000 Ext. 238.

Any construction project of these types and sizes will create some inconvenience to the neighborhood.

We appreciate your patience and cooperation during the construction process and will make every effort to minimize the disruption.

TREE TIP

A damaged or broken leader is common with spruces, firs and pines. The problem looks severe, but usually can be easily repaired. Nature would eventually solve the problem, but it takes several seasons. You can help nature by choosing a strong lateral branch just under the broken leader, bending it gently upward and tying it carefully to a support stick tied to the main trunk with soft string or yam. Trim back other branches in the same whorl of branches as the newly selected leader so they don't compete. Carefully

Lions

The Bloomingdale Lions Club recently made a \$1500 donation to Lifeline Pilots in memory of long-time member Al Fortier who passed away suddenly last month.

They also made a \$1000 contribution to the American Diabetes Association in memory of Linda Domalick, daughter of Lion Al Beskin and his wife Hilda.

We join the Lions in extending heartfelt sympathy to these families.

NATIONAL LIBRARY WEEK

When was the last time you visited the Bloomington Public Library? Have you seen the new Youth Services Department or the Macintosh Computer? Do you have a library card? If you answer no to any of these questions, National Library Week would be the perfect time for you to stop in the library and "Spot the Answer." April 18 through the 24 is the week designated for recognizing libraries. The Bloomington Library will have displays, trivia questions (answers will be provided if you do not "Spot the Answer"), bookmarks, and many other activities during this week. As you have probably spotted, the theme for the week is "Spot the Answer at Your Library." The library staff hopes to "Spot" many of its patrons both old and new. For more information on how to obtain a library card or to check to see if your current card is still valid, please call the Circulation Department at 529-3120.

BE A PART OF HISTORY! PLANT A TREE AT THE SPRING PARTY

Join us on Saturday, April 24 for the Bloomington Public Library's SPRING PARTY. At 2 pm the GAIA Theater will present a musical for children aged 5 and older entitled USE IT AGAIN. Following the performance children are invited to help plant a Laura Ingalls Wilder cottonwood tree in the library's Heritage Grove. The tree planting will begin at 3 pm. A reception with refreshments will follow.

This year's promotion is entitled RECYCLE—AVOID EXTINCTION. Our posters and bookmarks will feature dinosaurs encouraging us to save the Earth. To illustrate this we are going to build a giant Recyclesaurus on the library lawn. Help us build the Recyclesaurus by bringing one of the following items: aluminum can, newspaper, cardboard, 6-pack rings, paperboard, magazines, or plastics, (milk or 2 liter pop bottles). No glass or tin/steel cans, please. Bring your item for the Recyclesaurus between 1:30-4:pm on Saturday, April 24 and receive a Certificate of Participation. **RECYCLE—AVOID EXTINCTION!**

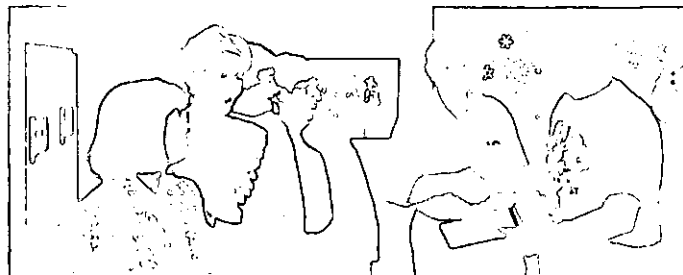

For more information, or to register for this program, please call the Youth Services Department at 529-3120.

FROIO COLLECTION GROWS

To commemorate what would have been the 30th birthday of Donna Beth Froio, her Father, Dominic Froio, recently presented a generous check to the Board of the Bloomington Public Library. It will be added to the initial donation made in 1982 by Mr. Dominic and Mrs. Barbara Froio in memory of Donna Beth. The interest from these invested funds is used each year to purchase the foreign language materials for children that comprise the Donna Beth Froio Foreign Language and Cultural Collection.

Even if you aren't studying a foreign language, you can use and enjoy those materials that include English. Many of the items are bilingual or multilingual with English as the base language, and most of the cultural books are written entirely in English.

To date, approximately 360 books, 38 combination book and cassette kits, 19 cassettes, 21 records, 5 videos, and 3 items of Apple computer software make up the Donna Beth Froio Foreign Language and Cultural Collection. And with the addition of the recent gift, this special collection should triple or quadruple the number of items that can be added each year, as well as enabling the purchase of multi-volume sets.

From left to right, Kathy Kohl, Trustee; Mary Rodne, Library Director; Alice Spanos and Bernadette Tasher, Trustees, watch as Dominic Froio hands Library Board President Jackson Anderson a generous donation.

AMAZING BOOK CAPERS

Join I. Kanga Read and Joey Investigators and discover mysterious adventures at the library during the Amazing Book Capers Summer Reading Program. The Youth Services staff will be visiting the schools in Bloomington during the week of May 17-21, to promote the Amazing Book Capers Summer Reading Program. Brochures will be given to students during the visit. Brochures will also be available in the Youth Services Department on Monday, May 17.

Bloomington children attending schools that are not in the Village of Bloomington may pick up the Amazing Book Capers brochure at the library beginning May 17. Brochures will also be left at schools in neighboring towns that Bloomington children attend, so students may also check their school office.

The Amazing Book Capers Summer Reading Program includes the Read With Me program for children not yet reading on their own, Book Club I for independent readers and Book Club II for young adults. Amazing Book Capers will also feature Toddler Times, Preschool Story Times, Workshops and special programs.

Registration for the Amazing Book Capers Summer Reading Program will begin on Monday, May 24. On this date you may register for the Reading Program itself, as well as Toddler Times, Workshops, etc. The Amazing Book Capers Summer Reading Program will begin Monday, June 21.

AMERICAN RED CROSS BABYSITTING COURSE

The American Red Cross Babysitting Course, offered from 9:15 AM to 4:30 pm on Saturday, May 1 will be open to boys and girls age 11 and older. Registration is required. Students who attend the class and successfully meet the requirements will be Red Cross certified.

The course covers the following topics: responsibilities of a babysitter, basic child growth and development, selection of appropriate toys and games, home safety and accident prevention, basic first aid, personal safety of a babysitter, feeding of children and handling and diapering of infants. Representatives from the police department, fire department and a hospital are also scheduled to attend.

This class is a full-day workshop. Students need to bring a lunch, a beverage and a doll they can diaper. Enrollment is limited to 30. Debbie Wells, a certified Red Cross Instructor, will teach the class. To register please stop by the Bloomington Public Library or telephone 529-3120. Bloomington residents will be given priority and non-residents will be notified if space is available.

CHESS CLUB

Come join the current Interlibrary Chess Club Champions. The Bloomington Public Library Summer Chess Club will meet at the library on Wednesday afternoons from 2 pm until 4 pm beginning June 23.

If you are eight years of age or older and know a little—or a lot—about the game this is your chance to sharpen your skills. Each Wednesday players will compete with other club members and a ranking will be established. Then the club will participate in the Interlibrary Chess Tournament in August as the reigning champs.

For more information or the sign up, call the library at 529-3120.

ADULT SUMMER READING PROGRAM AMAZING BOOK CAPERS

Back by popular demand, the Bloomington Public Library's Adult Summer Reading Program will be held from June 21 to August 7. All participants will be given seven detective clue sheets that list different mysteries and true crime titles to choose from to read. As participants complete books on each list, their detective clue sheet will be stamped. Those who complete all seven lists will be entered in a prize drawing. Stop by the reference desk anytime after Monday, May 24, to sign up for this free program and read along with your kids this Summer.

THANK YOU!

A special Thank You to Mr. Larry Beeman who donated \$25 to the Youth Services Department. The money will be spent on new picture books.

Library Welcomes New Staff Members

In Spring everyone thinks of all that is new, and the Bloomingdale Public Library is no exception. Recently, staff changes have resulted in promotions and new staff members. Steve Slavick and Kandice Krettlter were promoted to Circulation Clerks, and Katie Mendygral advanced to Senior Shelver.

Holly Richards Sorensen, the new Adult Services Department Head checks out the patron computer catalog.

Holly Richards Sorensen joined the staff as Adult Services Department Head. Holly has ten years of experience in the library field. In 1983 she worked at the Marquardt Middle School in the Learning Resource Center. From there she moved to the Franklin Park Public Library, where she held positions in Technical Services and Reference before becoming the Circulation Department Head. After earning her bachelor degree at Northeastern Illinois University, she was awarded the Secretary of State/State Librarian Scholarship for Master of Art in Library Science and enrolled at Rosary College. While attending school, she

DID YOU KNOW.....

The Adult Fiction Collection is now located on the south side of the first floor of the library, formerly the Children's Department.

The library now has a Computer Card Catalog. It is located on the first floor near the reference desk. This Computer Card Catalog or OPAC (Online Public Access Catalog) is a complete and up-to-date listing of all materials in the library. Stop in the library and give it a try.

The Card Catalog was closed as of December 31, 1992. This means any material the library has acquired since January 1, 1993 is NOT listed in the Card Catalog.

If you don't find the NEW book that your looking for, stop at the reference desk and let us know the title of the book. Your request will then be considered for purchase.

Sue Simonsen, wife, mother, and part time student is a shelver in the Circulation Department. She has a degree in education and is currently working on her state certification. Joining Sue in the shelving is Gretchen Spaeth, the newest member of the staff. Gretchen is a junior at Glenbard North High School and is looking forward to college, where she is planing to major in foreign languages.

The next time you are in the library and spot one of the new staff members, please welcome them.

The Friends Corner

FRIENDS TO HOLD BOOK SALE

The Friends of the Bloomingdale Public Library are sponsoring a "Bag O' Books sale on Saturday, April 17 from 9:30 am to 4 pm at the Bloomingdale Public Library. Used books, magazines, records, and cassettes will be for sale, all at bargain prices. Donations for the sale may be left at the library any time before April 17.

THE LIBRARY NEEDS YOU! JOIN THE JUNIOR FRIENDS!

Once again the Bloomingdale Public Library is looking for young, energetic volunteers for the Junior Friends group to help with the AMAZING BOOK CAPERS Summer Reading Program. Junior Friends help prepare crafts for workshops, make posters and assist with programs.

If you are 11 years old or older (6th grade and up), and would like to be a Junior Friend, please complete the application below and return it to Colleen M. Koebel, Head of Youth Services. An organizational meeting will be scheduled for early June. Junior Friends who participated last year will be contacted to see if they are still interested. This is a great chance to become involved and to make new friends!

IN MEMORY

Just four days after being nominated to head the Bloomingdale Lions Club as president for 1993-4, Albert R. Fortier, 64, passed away on Sunday, February 21.

Al had been active in the Lions Club since 1982. He served as Director (1986-80), as 3rd Vice President (1988-9), as 2nd Vice President (1989-90), as Treasurer, (1990-2). This past year he served as 1st Vice President, Program Chairman and Candy Day Chairman. He was to take office as President on July 1, 1993.

A resident of Bloomingdale for many years, Al and his wife have been living in Glendale Heights. In addition to his wife, Al is survived by his children Steven, Michael, Timothy, Kathleen Beardsley and Laura Fortier as well as eight grandchildren.

The family has requested that in lieu of flowers, donations be made to the Lions Club of Bloomingdale, PO box 318, Bloomingdale, 60108.

We join the Lions Club of Bloomingdale in extending our deepest sympathy to June and the family. Al will be sorely missed by members of the club and our community.

To make reservations for the dinner and auction at \$100 per person, call Theresa Kahler, 529-2871.

Country Companies: A New Approach In Insurance

From the first in-depth evaluation to the annual reviews, Bob Effner's Country Companies Insurance Group is unlike most any other insurance company you may have had occasion to work with.

Effner and Janice Karlovsky, his associate, offer a comprehensive insurance package — auto, home, life, health and estate planning — for individuals and businesses, too.

But, it's not enough to offer one stop shopping in the insurance industry... not in today's competitive market. Effner said that the key to his success is "total client service".

"Constant communication is critical in my business," he said, "Everyone has a need for their own unique insurance program...and that need changes periodically." So Effner tailors his business to ensure that he is in constant contact with his clients so that he can ensure that those clients are appropriately and adequately covered.

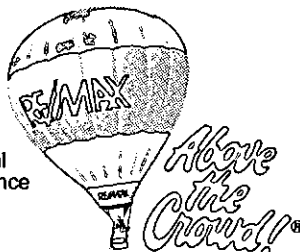

The Country Companies office, on Lake Street just west of Bloomingdale Road, opened in August, 1992, Effner, who has been in the insurance business for nine years, located in the Old Town site because of the outstanding visibility of the site and because he recognized that Bloomingdale offers outstanding growth potential for businesses.

In Our Schools

Westfield Junior High teachers Nancy Beasley, Jane Gadziak and Linda O'Connor were recently welcomed into the IMPACT II State of Illinois Teacher's Network. The three submitted a science-language arts-technology interdisciplinary project entitled BODY SCIENCE which was completed by their eighth grade students. For this project the team members were selected as recipients of a Team Disseminators Award and will be honored at an upcoming dinner. They will also have the opportunity to conduct in-service programs for other teachers.

In other Westfield Junior High news, seventh graders were treated to "Art Works" last month, a day in which youngsters were exposed to several careers in the art world. From a presentation by Second City players to

classes on such topics as calligraphy, make-up, cake decorating, architecture, stained glass-making, ceramics, masks and magic, the youngsters had an opportunity to get some hands-on experience in various art forms.

Central Elementary School hosted its second Writers' Workshop last month. The literary works completed by Central students were all published in the school's publishing center established by the PTO two years ago. Students had the opportunity to browse the literature and make comments on each for the authors to review.

Lake Park Athletes Earn Recognition

Senior Mike Quinlan of the boys' track and field team earned recognition as Lake Park Athlete of the Week for his outstanding performance in the Upstate Eight Conference meet. The four-year varsity member and team captain broke the conference record of 14-feet 8-inches in the pole vault with a jump of 14-feet 9-inches. The jump made him the No. 2 pole-vaulter in the state this year.

Junior Tom Knackstedt also was named Lake Park Athlete of the Week in recognition of his performance during the Lake Park Invitational. He placed second in all-around competition in a field of eleven from six schools, including top-rated Hinsdale Central and Libertyville. He also placed third on still rings; fourth on floor; and fifth on pommel horse, vault and high bars.

Lake Park High School Offers Parenting Seminar

Lake Park hosts an eight-week support and education seminar series geared toward parents of teenagers. Sessions will focus on parental rights, expectations, setting limits and enforcing consequences and possible solutions to the typical problems such as obnoxious/disrespectful behavior, truancy, drug and alcohol abuse and general behavioral problems. The series begins April 8 from 7-9 pm in the East Campus Resource Center, 600 S. Medinah Rd. There is no charge for the seminars, but parents are encouraged to contact Nancy Gillies, 529-4500, ext. 246.

QUORUM

These days as more people are asking themselves "What can I do to protect myself, my family and my property," Quorum International, Ltd. may have the answer. Resident Marie Hepp has recently become a distributor of the security devices.

Featured among the products are a vehicle alarm, vehicle protection system, home security system and a personal attack alarm (PAAL), as well as a personal portable alarm. Hepp is especially excited about the PAAL which she says is ideal for women, college students and the elderly.

One of the greatest features Quorum has going for it, says Hepp, is the affordability of these products. For more information on any of these security products or to learn how you can become a Quorum distributor call Hepp at 529-3646.

Executive Services Now Available at Tiffany Point

The newly opened Tiffany Executive Center has taken secretarial service and the business incubator to new heights.

Pamela Mack, president, of the company and leasing agent for Tiffany Point, is a with-it kind of lady who knows that established corporate representatives and seasoned entrepreneurs need quality support systems.

When Tiffany Pointe opened she saw it as the ideal place to establish a "cocoon" for those who are well-established in business.

Her typical client is one who spends a great deal of time out of the office, has typically been in business a while and values a prestige address, proximity to home, easy access to both transportation and quality meeting facilities, as well as dependable secretarial services. Many find the Bloomingdale facilities better suited to their needs than their previous offices in Schaumburg and Oak Brook.

Offices can be rented either furnished or un-furnished. A minimum secretarial usage is charged. Services include comprehensive state of the art secretarial resources, direct mail processing, personal answering service and voice mail, bookkeeping, and much more for resident and surrounding businesses.

Bloomingdale is the home of one of the most unique humane societies in the nation... **PET RESCUE, INC.** the Midwest's largest and finest no-kill, minimum cage Sanctuary for orphaned pets. We are a non-profit, tax-deductible, licensed, national charity. We are dedicated to education for more responsible pet owners, and pet population control through spay/neuter. We are the only organization to offer **RESCUE AND MEDICAL CARE FOR INJURED PETS**. Please come in for a free I.D. tag for your pet. We would appreciate sending you our informative newsletter with topics of interest to pet owners and those interested in wildlife and the environment.

PET RESCUE IS A GREAT PLACE TO ADOPT a beautiful cat, dog, kitten, puppy, rabbit, or bird (including many pure-breeds). We also offer computerized listings of pets for adoption, wanted, lost, and found.

PET RESCUE IS A GREAT PLACE TO VISIT... schools, scouts, groups toured.

PET RESCUE IS A GREAT PLACE TO SUPPORT...

PET RESCUE IS A GREAT PLACE TO VOLUNTEER...
