Bloomingdale Old Town Gets New Lease On Life

Old Town Bloomingdale, our unique historic shopping district, is getting a "new lease on life," thanks to two local attorneys. Edward Levato and Keith Kotche became the new owners of Old Town earlier this month and have begun to breathe new life into the aging rafters.

In addition to cosmetic changes, such as repairing the parking lot, painting and doing more extensive landscaping, the partners have sought out and have begun to fill the many shops that make up the nostalgic area.

Among the newcomers is "What's the Scoop?" an ice cream and old time confectionery shop. Owned by resident families, the Yerlys and the Lambs, the ice cream shop promises to bring a flurry of activity along Third Street as summer approaches. Check out the group specials and birthday club. In addition, there is always a youth sports discount for youngsters under 12 dressed in uniform.

Jill's Ceramics, owned by Jill Creasy, is another recent arrival. She features finished ceramic pieces, as well as a wide variety of handcrafted items, such as dowel dolls, fabric painting, jewelry and floral pieces. She also specializes in wedding and shower centerpieces and party favors. In addition, Jill will soon be selling greenware and holding both morning and evening classes for ceramics. For more information on "who's who" in Old Town now and what they feature, see pages 16 & 17.

Village Officials Seated

A new mayor and his slate of candidates were sworn in by Judge Unverzagt on Monday, May 3 at a special Village Board meeting. Robert G.

Iden, 14-year trustee, took up the gavel held by former Mayor Samuel J. Tenuto for as many years. "I look forward to the challenge of serving as Mayor for the next four years and to working with this Village Board toward the accomplishment of our goals," said Iden. Along with Iden, incumbents Village Clerk Harriet Ford and Trustee James Gebis were sworn in. Newcomers Anthony Mulizio and Pamela Rion filled the other two trustee spots.

LEAD AND COPPER SAMPLING UPDATE

The Village has received the results from the samples collected for lead and copper during the second phase of the Lead and Copper Sampling Program.

The results indicate that the Village is in compliance with the regulation. The sample sites were selected based on specific sampling criteria established by the Environmental Protection Agency.

We would like to recognize and thank the sixty residents who agreed to participate in this sampling program. Without their participation, the collection of these samples would have been virtually impossible.

Help Us Save You \$

The Village maintains a remittance processing service at a local bank for processing your water and sewer bill payments. This service allows for more accurate, efficient and expedient posting of your payments to your accounts. It also reduces the Village's cost...thus, your costs.

WATER CONSERVATION AND CONTROL

The summer season is right around the corner. Soon it will be time to take your garden hoses and sprinkler attachments out of storage to quench the thirst of your lawn. Once again Ordinance 90-30 will be in effect this year, which restricts the times and methods of water used for lawn sprinkling. These restrictions have been mandated by the State and Federal Authorities controlling the Lake Michigan water allocations. The rule not only applies to current water utilities supplied by lake water, but to those who will be supplied by lake water in the future. Water conservation is important to each person in our community and by actively participating in conserving water, you protect a valuable natural resource and save money.

HIGHLIGHTS OF ORDINANCE NO. 90-30, WATER CONSERVATION AND CONTROL ARE AS FOLLOWS:

- A. Single Family residential addresses with odd numbers may use the public water supply for outside watering through automatic sprinkling devices only on Monday, Wednesday and Saturday between the hours of 5:00 a.m. and 9:00 a.m. or 5:00 p.m. and 9:00 p.m..
- B. Single Family residential addresses with even numbers may use the public water supply for outside watering through automatic sprinkling devices only on Tuesday, Thursday and Sunday between the hours of 5:00 a.m. and 9:00 a.m. or 5:00 p.m. and 9:00 p.m..
- C. Units of Government, Commercial, Industrial, Manufacturing, Office Buildings, and Multi-Family Residential buildings may use the public water supply for outside watering through automatic sprinkling devices only on Tuesday, Thursday and Sunday between the hours of 5:00 a.m. and 9:00 a.m. or 5:00 p.m. and 9:00 p.m..
- D. Permits for newly sodded or seeded lawns will be available from the Director of Village Services office upon application of such permit. Permits would allow for outside watering by means of automatic sprinklers for a period of thirty (30) consecutive days between the hours of 5:00 a.m. and 9:00 a.m. or 5:00 p.m. and 9:00 p.m..
- E. The use of hand-held water devices is permitted without restriction for any purpose except when the device is left on unattended, or no device is used to control the flow of water. If a hand-held watering device is left on unattended, it is considered to be an automatic sprinkling device and subject to the restrictions previously mentioned.

The times that automatic sprinkling is permitted have been established not only as a conservation method, but also are optimum times for effective lawn sprinkling with minimum loss due to evaporation or runoff.

THE WATER CONSERVATION AND CONTROL ORDINANCE NO. 90-30 IS EFFECTIVE FROM MAY THROUGH SEPTEMBER, ANNUALLY.

Copies of the Ordinance are available at the Village Hall.

BLOOMINGDALE SEEKS KING AND QUEEN TO REIGN AT SEPTEMBERFEST

Even though summer is off to a slow start, it is still not too early to start thinking about completing an application for Bloomingdale's Annual King and Queen Contest. The contest, for Bloomingdale residents between 16 and 21 years of age, is held in conjunction with the Septemberfest celebration on Sunday, September 12, 1993.

This will be the third year that the contest is open to both young men and women. Applicants are judged on appearance, poise, personality, civic involvement and communication skills. The applicants must submit a handwritten essay of 300 to 400 words that describes what contributions they feel they will make as a representative of Bloomingdale's youth. Registration forms are available from the Almanac, the Village Hall or the library and must be postmarked by August 14, 1993.

Last year, both King Jason Fangusaro and Queen Annie Federici, pictured here, received \$1,500 scholarships. First runners-up received \$750 along with \$500 to second runners-up and \$250 for third and fourth runners-up. The Septemberfest Commission is committed to the continuation of this tradition, and is maintaining the cost of the booth fee at \$30 so that additional money will be available for the scholarship award this year.

Sebastian "Buzz" Puccio, the Septemberfest Chairman, emphasized that additional financial contributions are still needed for the scholarship fund, as well as gifts of merchandise for the King, Queen and their courts.

If you need further information about the King and Queen contest or wish to make a donation to the scholarship fund, please contact King and Queen Contest Chairperson, Pat Puccio at 980-5897.

Bloomingtondale Participates In Clean-Up of DuPage River

June 5 - 11 marked the third annual Clean Your Streams Week in DuPage County. The event involved a county-wide sweep of the many streams by a large number of volunteers. The Village of Bloomingtondale, in cooperation with the Conservation Foundation of DuPage county, took part in the cleaning of the east branch of the DuPage River north of Army Trail Road.

CLEAR THE SIDEWALKS

In response to complaints recently received from both homeowner associations and citizens village-wide, the Bloomingtondale Police Department reminds residents about parked vehicles blocking sidewalks.

Village Ordinance 9-3-1.11 prohibits vehicles blocking a sidewalk or any portion of a sidewalk while parking. This includes a sidewalk that intersects your driveway. Parking citations can be issued for this ordinance.

The Police Department asks for your cooperation in keeping the sidewalks clear for pedestrians. Any questions you may have can be directed to the Police Department at 529-9868.

Lions Club In The News

The Bloomingtondale Lions Club has had another busy year. Among the latest recipients of their generosity was Bloomingtondale resident J.D. Melchert. The seven-year old who has cerebral palsy received the final \$500 for his specially trained dog which will enable him to be more mobile. Another donation was for the sponsorship of a telephone reassurance system that will make daily contact with those in need.

Sharon Goodwin accepts the check for the Melchert family from Lions President Jim Krause.

The Friends Corner

By *Harriet Smolla*

The Friends of the Bloomingdale Public Library have enjoyed promoting several activities recently. The semi-annual 'Bag o' Books' sale in April was very successful. As usual, it was well attended and buyers had hundreds of books to choose from. Donations of more used books are always appreciated and can be dropped off at the library any time.

On May 15, the Friends held their first rummage sale, called the 2nd Chance Market, at Indian Lakes Resort's west parking lot. Fifty booths were showing a variety of bargains. We hope to repeat this successful event and will publish the date and place then.

The Friends have designed an attractive canvas book bag which we are selling at the Library for \$7.50 each, or two for \$14.00. Proceeds from all fund raisers are donated to the Library.

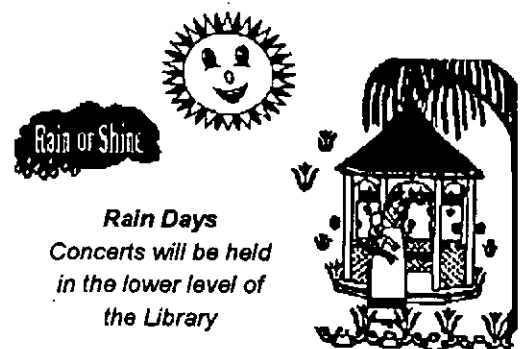

We recently welcomed several new members, but we are always looking to increase our membership. To join, please call the Library at 529-3120. Dues are \$5 a year and meetings are held monthly.
