From the Desk of Mayor Bob Iden

Fall is upon us. In Bloomingdale this change of season is always preceded by our annual Septemberfest celebration. This year's event was marked by exceptional weather, the celebration of local talent, great food, terrific music and good times together with friends and neighbors. I thank Chairperson Bill Wolff and his dedicated committee members for another memorable day. See Bill's recap, words of thanks and pictures on pp. 16 and 19.

Inside this issue you will read about two people employed in Bloomingdale who went out of their way to help strangers in a most selfless way. For their actions both are receiving Pillar Awards from the Bloomingdale CHARACTER COUNTS Coalition. The Coalition has been receiving more nominations for these awards for adults. This is gratifying because the program itself encourages adults to model good character for our youth, specifically through the six "Pillars" of trustworthiness, respect, responsibility, fairness, citizenship, and caring. Coincidentally, the annual CHARACTER COUNTS! Celebration where American Youth Character Awards are presented takes place in Old Town Park on Tuesday, October 20. Read about it on p. 13.

In other news, the Bloomingdale Park District recently announced that the Illinois Association of Park Districts (IAPD) named Old Town Bank & Trust of Bloomingdale as the "Best Friend of Illinois Parks" in its annual "Best of the Best" Awards competition.

The "Best Friend of Illinois Parks – Business Category" is awarded to a business that has demonstrated exemplary support. Old Town Bank & Trust of Bloomingdale formed a partnership with the Bloomingdale Park District, with both annual financial underwriting support for a number of key programs and events, and with personal participation of the members of the management team. These programs partially include the Summer Concert Series, Movies in the Park, Winter Carnival, Halloween Happening, Make A Difference Day and Coin Dive.

According to Park District spokesperson Anita P. Escalante, Director, Marketing & Communications, "This partnership exceeds the typical sponsor affiliation in that Old Town Bank views park district programs as critical to their community. Together the Bloomingdale Park District and Old Town Bank & Trust of Bloomingdale have created a partnership where their business and agency philosophies mirror each other ultimately allowing us to best serve the residents of the Bloomingdale community in unison."

Congratulations to both parties for creating this outstanding relationship in order to benefit the community.

Be Alert for Stranger Danger

As many people take advantage of the last warm weather days enjoying the great outdoors, the Bloomingdale Police Department cautions students and parents that some unscrupulous individuals seek the warm temperatures, as well. It is good opportunity for them to monitor the school and playground areas where today's youth gather. Both children and young adults are strongly encouraged to avoid contact with unfamiliar individuals who may ask for directions, attempt to provide gifts/money, or engage in any conversation. "Stranger Danger" talks apply to everyone, no matter the age or physical size of a person.

The Bloomingdale Police Department also stresses that if an encounter with a suspicious person and/or vehicle occurs, the police should be contacted as soon as possible, once safety has been established. Any questions or concerns regarding this information should be directed to Officer Dawn Odoi at (630) 529-9868.

Have a wonderful Fall season!

Bloomingdale Police Department Offers Anonymous Crime Tip Line

The Anonymous Tip Line 630-529-7274 provides citizens an opportunity to report information about a crime or an incident of which they have knowledge. With the anonymous Tip Line, we hope to encourage the community to assist the police department by overcoming two key elements affecting the community: fear and apathy.

This tip line is part of an ongoing effort to develop innovative ways to reduce crime and violence in and around Bloomingdale. The tip line is available 24 hours a day, seven days a week. Anyone who has information concerning a homicide, gangs, guns, drug activity, or any other type of information that would aid police personnel are encouraged to call.

Often a seemingly unimportant or minor piece of information can solve a crime by providing the missing link.

How Does the Tip Line Work?

When a citizen calls 630-529-7274, he or she will hear a taped recorded message. Explain the activity in as much detail as possible. You do not have to provide your name, address, or telephone number. All information remains confidential.

Some tips on leaving a message:

Speak clearly. Take your time leaving your message;

Be as specific as possible in providing the following information:

Location of building or house, name of nearest intersection;

Description of person(s) involved, such as height, sex, age, weight, clothing, hair color, eye color, skin color, and any distinguishing marks, names if known.

Description of vehicles involved, make, model, color, and license plate.

If you would like to speak with someone directly, you may either leave your contact information on the tape, or call 630-529-9868 (Bloomingdale Police Department, non-emergency).

If you need immediate police assistance: DIAL 911

What You Need to Know About the H1N1 Virus/Swine Flu

With all of the conflicting information out there regarding the H1N1 Virus (Swine Flu), the DuPage County Health Department advises the community to avoid rumors and to get the facts @ www.protectdupage.org or www.flu.gov or by calling the H1N1 Hotline at (630) 221-7600.

The DuPage County Health Department further encourages everyone to practice the following Good Health Habits to reduce the spread of the flu.

- Know the signs and symptoms of the flu: 100 degrees Fahrenheit or greater, cough, sore throat, runny or stuffy nose, body aches, headache, and feeling very tired. Contact your physician with medical questions or concerns.
- Avoid close contact with people who are sick.
- Do not share eating utensils, drinking containers, telephones, keyboards without cleaning or sanitizing first.
- Stay home from work, school, public gathering and errands when you are sick for at least 24 hours after there is no longer a fever (without use of a fever-reducing medication).
- Cover your mouth and nose with a tissue (or your upper sleeve) when you cough or sneeze, and throw the tissue away.
- Wash your hands often with soap and water, especially after you cough or sneeze. Alcohol-based hand cleaner is also effective.
- Avoid touching your eyes, nose or mouth.
- Get plenty of sleep, be physically active, manage your stress, drink plenty of fluids and eat nutritious food.

Get vaccinated for the seasonal flu and the 2009 H1N1 flu when vaccines are available.

50/50 Concrete Sidewalk/Curb Replacement Program Suspended

The current economy has necessitated that the Village of Bloomingdale suspend the resident 50/50 Concrete Sidewalk/Curb Replacement Cost Sharing Grant Program. This program reimbursed residents for a share of costs associated with the repair or replacement of public curb and sidewalk, when conditions did not meet the criteria for repair or replacement by the Village. Reinstating the 50/50 Concrete Sidewalk/Curb Replacement Cost Sharing Grant Program will depend on improved economic conditions.

The Public Works Streets Division will continue the systematic inspection and repair program of curbs and sidewalks to minimize hazards.

Village's 2009-10 Road Salting Policies

While the costs are down from last year, the price of salt is still higher than historical pricing so the Village of Bloomingdale will once again have to use its salt supply conservatively to ensure we will have enough to last the winter season.

Residents should anticipate our response to snow and ice occurrences will be similar to that of last winter season.

More details will appear in the December Almanac issue.

Autumn Blaze Maple

2010 Tree Planting Program

The Village Board has again allocated funds for this very successful program which was started in 1982. The program provides trees, including planting, at a 50/50 cost sharing with the Village. The trees will be planted next Spring and are available for street parkways and residential front yards.

The following are the guidelines of the program:

- ☐ Since the budget is limited, the program will be on a first-come, first-served basis. Requests should be submitted by December 1, 2009. No payment is required at this time. Bills will be sent about February 1, 2010.
- ☐ Trees will be 2 1/2 inch caliper, unless stated otherwise. Trees will be quality nursery stock but not specimen plants.
- ☐ The Village reserves the right to disapprove requests based on conflicts, safety, or proper spacing.
- ☐ Removal of dead trees, stumps and/or large roots is not included and must be performed by participants before March 15th.
- ☐ Each residential parcel will be limited to two trees per year.
- ☐ Participants will be given the opportunity to mark the desired location for the tree; however, the Village retains the right to change the location, if necessary.
- ☐ We anticipate the cost of 2 1/2" caliper trees to be between \$250 and \$350 each, with the Village paying half of the amount.
- ☐ Trees will be guaranteed for one year. Participants are responsible for all watering which will be described in instructions furnished by the Village.
- ☐ For trees to be planted in the public parkway, this application will serve as the permit requirements of the ordinance regulating trees on public areas.

If further information is desired, contact Jim Johnson, Urban Forester, at 630-671-5804.

Rx Disposal Made Easy

The Bloomingdale Police Department & DuPage County Health Department have joined forces in an Expired / Unused Medication Disposal Program. Expired or unused medications are a risk to families, the community and the environment. Disposing of prescription and over-the-counter drugs down a drain can contaminate public water supplies and waterways. Removing expired and unused drugs from our homes reduces accidental ingestion by children and reduces teen prescription drug abuse.

Bloomingdale Township residents may dispose of their medications 24 hours/7 days per week at no charge into the Rx drop box located behind the Bloomingdale Village Hall, 201 S. Bloomingdale Road. Look for a large white metal drop box labeled RxBOX located to the side of the Police Department

Items Accepted: Prescription Medications; Over-the-Counter Medications; Medicated Ointments; Medicated Shampoos; Liquids Containing Medications; Prescription Inhalers; Over-the-Counter Inhalers; Glass Thermometers containing mercury.

Items Not Accepted: Sharps or needles; Radioactive medicines; Any other medical waste; Household chemical waste - these items need to be disposed of using other methods. For sharps or needle disposal, please check with your physician or local hospital.

For more information, contact Sergeant Duane Kroll or Officer Dawn Odoi at the Bloomingdale Police Department at (630) 529-9868.

Bloomingdale Resident FYI

When Bloomingdale experiences power outages due to weather conditions or overloaded electronic issues, the traffic control devices / traffic signals might malfunction. The Bloomingdale Police Department reminds drivers to pay attention at traffic intersections to make sure that the traffic signals are working properly.

If a traffic signal is not working at all or has conflicting signals (example: flashing red & green lights), drivers are to treat the intersection as a four-way stop, even without stop signs posted, reducing the opportunity for traffic crashes.

From time to time there are solicitors in our neighborhoods. The Village has solicitation regulations which include local registration procedures. If you have a concern about whether a solicitor in your neighborhood is registered or any question about any suspicious person(s), vehicle(s) or activity in the area, please contact the Bloomingdale Police Department at 630-529-9868.

Hometown Heroes

Jammie Meyer, recreation supervisor and lifeguard trainer for the Bloomingdale Park District, was the first person on the scene of a tragic accident involving a motorcyclist in July. Finding the victim not breathing, she began CPR and was joined by three other Good Samaritans who also worked on him until paramedics arrived. The story has a sad ending as the young man, an Iraq veteran and father of 15-month old triplets, ultimately passed away. In addition to making a donation to the young family, the Bloomingdale Park District Board of Commissioners recognized Jammie for her quick thinking and heroic efforts. The Bloomingdale CHARACTER COUNTS Coalition will also be honoring Jammie with a Pillar Award.

The Park Board was very proud of Jammie's heroic action. Pictured: Back row, l to r Commissioners Andre Burke, Mike Vogl, Lori Noonan. Front row, l to r Commissioner Karen Johns, Meyer and Commissioner Buzz Puccio.

In August, a motorcyclist had just finished getting gas at the Meijer Store station on Gary Avenue and was leaving when a spark suddenly ignited some gas on his bike and flames shot up his clothes. Anthony Perez, a Meijer employee, was walking out of the store and saw the incident. He ran over and took off his own shirt to try to beat out the flames, while sending others to call 911 and get a blanket. He then had the victim roll over and over to smother the flames. The victim did suffer third degree burns, but the paramedics told Perez that his actions probably saved the motorcyclist's life. Meijer is planning to recognize the heroic efforts of Perez and he has also been recommended for a CHARACTER COUNTS Pillar award.

We are proud to have such brave and caring individuals working in our community. Their quick thinking and immediate action makes both of them "hometown heroes."

Community Rallies Around Kacey Koster

Kacey Koster, a seven-year old student at Winnebago School, may look like most second graders, but she has been battling heart problems since birth. She's already had three open heart surgeries and has now been diagnosed with celiac disease and a growth defect, causing further complications.

Although the youngster functions normally, Kacey is now at a very high risk for a heart attack and has been placed on the list for a heart transplant. Friends, neighbors and other volunteers have been hosting fundraisers to help the Bloomingdale family with the mounting medical bills. Residents interested in helping out the family can make a donation to Kacey Koster, P.O. Box 475, Bloomingdale, IL 60108.

Bloomington Lions Elect First Female President

While not the first female to join the previously all male Lions, Kelly Gits did not hesitate to make her presence known in the club, and all in a positive way. Joining the club in September of 2005, she readily took on the chairing of projects such as Candy Day, the Spaghetti Dinner, the first ever Bean Bag tournament, the Lions Hearing Bus, and served as club newsletter editor for two years. Kelly demonstrated early that she was well organized, energetic and very serious about the Lion thing . . . serving the Sight and Hearing Impaired and our community.

When Kelly chairs a project she somehow seems to get her whole family to participate. She was elected to the office of President of the club last spring and began her presidential duties July 1, 2009. She was Rookie Lion of the Year in 2007, received a Melvin Jones Fellowship award in 2008, and was named Lion of the Year in 2009.

Kelly is a lifelong Bloomington resident and when not doing Lions' activities, likes to serve as an adult financial literacy educator, plays softball, serves on the Septemberfest Commission, and enjoys spending time with her family.

Bloomington Lion and past District Governor Lion Ron Fangusaro gives Kelly Gits a congratulatory hug after inducting her as the first female president of the Lions club of Bloomington.

Voice of Democracy Scholarship Competition

Local High School Student Could Win a \$30,000 Scholarship and a Trip to Washington DC

Commander Rick Middleton of Veterans of Foreign Wars Post 7539 in Bloomington announced the kick-off of this year's Voice of Democracy Scholarship Competition. The contest is open to all high school students in grades 9 through 12, including home schooled students.

Students participate by writing and then recording a three to five minute audio essay expressing their views on this year's topic, "Does America Still Have Heroes?" Students' recordings are first judged at the post level with winning recordings advanced for judging at district, state and national levels. Monetary awards are given at each level. The top winner in each state earns a free trip to Washington DC and the first place winner in the national competition receives a \$30,000 scholarship plus the awards issued at the post, district and state levels.

Student entries including the recording, typed copy of the essay and a completed application form are due to our post by November 1. For complete information regarding this exciting competition, please contact our post Voice of Democracy chairman (Bill Bahr) at 630-307-3634 or see our web site at www.vfw7539.org

under Voice of Democracy Essay Contest. The Post itself offers a total of \$500 in prizes.

This competition is sponsored by the VFW and its Ladies Auxiliary throughout the country and has attracted over 7 million participants in its 60 year history. The members of Bloomington VFW Post 7539 are pleased to offer this opportunity to the students in our community. An award presentation ceremony will be scheduled later this year to honor the top winners in our post competition.

Joe Draghi Scholarship Winners

Four outstanding students were awarded the Joe Draghi Septemberfest Scholarship at the Septemberfest celebration. This year's winners were all 2009 graduates of Lake Park High School.

Kelsey Coleman has spent much of her life working with people with special needs in school and recreational settings, including organizing programs at both middle school and high school for those with special needs. One of these was a Special Olympics track & field team at Lake Park. She is attending St.

Louis University, planning to major in organizational studies or organizational leadership. She knows whatever path her future takes it will include her passion for working with the population with special needs.

Neethnu Kaniyaly was very involved in a variety of organizations and activities during her high school years, which also included much volunteer work. She is attending St. John's University in Queens, New York having been accepted into the Physician Assistant program. She also hopes to earn a Master's degree in Public Administration and eventually hold an administrative role in a hospital setting.

Kevin McKeown focused his efforts during high school on both athletic and academic activities. His achievements and awards in both areas are impressive. Through both he had the opportunity to hone his communication and leadership skills. Kevin currently attends the University of Illinois at Urbana-Champaign, pursuing a political science major and business administration minor. He plans to follow this with law school and hopes to eventually become a U.S. Congressman.

Bryn Specher's many activities during her high school years included playing basketball for four years, playing the flute in various school musical groups, making Highest Honor Roll every semester. She has taught youth sports and tutored students from elementary through high school in math. Her wide variety of volunteer activities have been focused on hearing-impaired causes. Hearing-impaired herself, Bryn has not let that stop her from achieving her goals. She is attending Augustana College working toward a Bachelor of Science degree in business administration or management.

160 Years of Wedded Bliss

Four couples, who met at St. Paul Evangelical United Church of Church and became fast friends, recently celebrated their 40-year wedding anniversaries by renewing their vows together. The joint renewal and celebration took place at the home of Bloomingdale residents Bob & Vicki Hettlinger. Eighty friends and family came to share the very special occasion. Joining the Hettlingers (3rd couple from left) in the moving ceremony were from l to r, Ralph and Joyce Daniels, Jim & Cheryl Lloyd, and Neal & Diane Miller.

Many Thanks for a Great Event

What a wonderful day was provided for the Village of Bloomingdale and its 37th Annual Septemberfest.

Gloria Tomaras started the Fest off with the annual parade and once again, she did a wonderful job. This was Gloria's last year running the parade and the commission sure will miss her. Two trophies were awarded: Most Creative float went to Center Stage Dance Group and Best Presentation went to Stratford Crossing Shopping Center.

Mayor Iden performed the opening ceremony with the Bloomingdale Veterans of Foreign Wars Post 7539 presenting the colors. The national anthem was sung by 11-year old Shealeigh Voigt. What a powerful voice! She sang her heart out for her country and for the world to hear. Thank you, Shealeigh.

The Septemberfest car show was once again a huge success thanks to Marilyn Zaccardi. Thirty seven cars participated. This year with the push for more fuel efficient vehicles, we saw a 2008 TESLA, a battery operated car that goes from 0 to 60 in less than 6 seconds and can go up to 200 miles on a single charge. The kids transportation contest had a tie again, but brothers Kevin and Tyler Murphy agreed to share the prize.

The Motorcycle Show this year was bigger and better than last year, with 57 Cycles participating throughout the day. Mark Garrison ran the motorcycle show and talked to the audience about the importance of watching out for motorcyclists while on the road.

Vivi and Mitchel Frumkin work as a team for Septemberfest. Vivi takes care of the vendors, making sure we have enough food and fun things for all the fest goers. Mitch takes care of all the publicity and advertising for Septemberfest, as well as getting out the fliers, emails and cable ads. He also helps to prep me for the cable interviews that he sets up.

Carole Lockhart has run the scholarship program for the past 5 years and states that this is what Septemberfest is all about, the kids and helping them to further their education. Four children received scholarships; Kevin McKeown, Bryn Spejcher, Kelsey Coleman and Neethn Kaniyal each received a \$2,000.00 scholarship to the school of their choice.

Newest commission member, Kelly Gits, jumped right in as our entertainment chairperson, setting up all of the entertainment for the fest from beginning to end. Judging from the continuous crowds, she did a pretty great job.

Of course no fest would be possible without the excellent work of Village Services. They put up lighting, picked up trash, set up picnic tables, ordered porta-potties and washing stations. These folks do it all, and then clean it all up. Thank you Village Services for all you do on a daily basis. Great Job Vern Fasse/ Bob Maguire and crews. Thanks also to the Police Department coordinated by Sergeant Tim Roberts, for re-routing traffic for the parade, assisting pedestrians across the street and making sure the fest area was a safe place to bring the family and have fun.

The Park District liaison, Jo Witucki, helps us work with the Park District, as well as offers help to any committee member who needs assistance. The Lions Club liaison, Sharyn Murphy, helps the Lions, who have a big presence at Septemberfest, stay ahead of the game.

Thanks also to Village Trustee liaison, John Dabrowski who keeps up the communication between the Village Board and Septemberfest Commission, Dolores Orlik, our Treasurer, who keeps track of all expenses and scholarship funds, and finally Carol Dublin, my secretary. Carol makes sure that the minutes of each meeting are kept and properly posted. She also assists all other commissioners with their entry forms, programs information and anything else that is needed to make Septemberfest run smoothly. Thanks to all of my committee members and liaisons from all the other entities for their assistance in bringing Septemberfest to the residents.

And to our sponsors, supporters, fest goers and Village of Bloomingdale, "Thank You." You are the reason we do what we do.

Bill Wolff
Septemberfest Chairman

911 Remembrance

A dozen fire trucks and police cars filed into the front drive at Bloomingdale Church on Glen Ellyn Road, a silent, parade of red lights, greeted by the crowd gathered with lit candles. In remembrance of the events of 911, the group applauded in gratitude to the fire and police personnel of our community.

Inside the church they all viewed a media remembrance by Ralph Padron, heard words of thanks from various community people, including local businessman Vince DePaul, teenager Laura Hartigan and senior Frank Sofia.

Dr. David Riemenschneider, long-time pastor of Bloomingdale Church and Bloomingdale Fire District's volunteer chaplain, offered a short prayer of remembrance at exactly 9:11PM.

Is Your Child Safe When Traveling in a Vehicle?

While the misuse rate for child restraint seats has declined, the National Highway Traffic Safety Administration (NHTSA) still indicates approximately 80% of child seats are incorrectly installed.

We can improve our child's safety when riding in a vehicle by placing them in the proper restraint for their age and/or size. Here are some general guidelines to follow:

	AGE/ WEIGHT	SEAT TYPE/ SEAT POSITION	USAGE TIPS

Banned Books Week: Celebrating the Freedom to Read is observed during the last week of September each year. This annual event has been observed since 1982 and reminds Americans not to take this precious democratic freedom for granted. Banned Book Week celebrates the freedom to choose and the freedom to express one's opinion even if that opinion might be considered unorthodox or unpopular.

Librarians, teachers, and booksellers across the country use Banned Books Week each year to teach the importance of our First Amendment rights and the power of literature, and to draw attention to the danger that exists when restraints are imposed on the availability of information in a free society.

Celebrate your freedom to read with a trip to the Library!

National Night Out Against Crime

This was the largest turnout in the 11 years we have been celebrating National Night Out. Approximately 1000 citizens passed through the Oasis at the Park District during the evening. The Dunk-a-cop/fireman was for Illinois Special Olympics and raised \$200 in less than 2 hours.

Batter Up!

The Bloomingdale Fraternal Order of Police (FOP) played the Park District summer day camp kids in the annual Heroes vs Half-Pints softball game this summer. The Half-Pints staged a vicious rally in the bottom of the 7th inning to win the game 13-12. A great time was had by all.
